**Chat GPT 3.5 for free or upgrade for around \$20 per month.**

**Click the link below or click the graphic to go to Reach Estate GPT**

**Start Fresh with Chat GPT**

**Tips:**

- **Create a Style Guide** by asking the GPT to provide you a questionnaire to answer. This will allow the content you will have the GPT write be with your brand and voice.
- **Add information to your GPT Knowledge Library.** Documents on topics of specialty so your GPT can write and elaborate on topics within you Knowledge Library.

Create a Video Script in Chat GPT for your preferred real estate topic or lifestyle area and paste it into the invideo ai appropriate field and watch a B footage automated video narrating your script in either a man or woman voice.

Paste your Chat GPT script into invideo AI and have a video. <https://ai.invideo.io/signup>

Just indicate your video was made with Ai components in your YouTube account for compliance purposes.

Find a GPT for many needs at There's an Ai for That, for FREE!

Curious what kind of Ai to look for? <https://theresanaiforthat.com/>

- Imagine you have a picture of names and phone numbers. Get a GPT to convert the text in a photo and add it to a Word or Excel Document. No more tedious data entry.
- Separate a PDF file into individual pages.
- Just play with the prompt field and see what comes up!
