Ohio law requires that all contributors must provide their name and address regardless of the amount of the contribution and the name of their employer if the contribution is more than \$100. If the contributor is self-employed, the business name and occupation of the contributor must be provided. Ohio law in general prohibits the award of state contracts and business if contributions from owners of the contracting entity or their spouses or an affiliated PAC have exceeded certain limits during the 24 months prior to the award of the contract. The law also limits contributions after the award of the contract. State employees are prohibited from donating to campaigns and should disregard this invitation.
