The annual St. John's Giving Tree is set up!

Our Giving Tree is where we adopt families and/or individuals and provide gifts for Christmas.
We help families and individuals from area schools, our homebound parishioners and those at Adel Acres, Spurgeon Manor and StoryPoint, Crisis Intervention, Imagine the Possibilities Group Home and Mosaic Group Home.

We would appreciate your help with this rewarding mission to provide some Christmas joy to those in need.

There are three ways to participate.

Paper gift tag
Electronic gift tag
Cash or check donation
See Instructions (other side of insert) or at the Giving Tree display.

PLEASE Note – the gift tags are different between the paper and electronic sign up, we did not duplicate.

How our Giving Tree process works;

Families or individuals are asked to list needed items and a want/wish item. We encourage the want/wish item especially for the children, so they experience the joy of a toy or fun gift. We're all kids at heart and our adult individuals appreciate the joy of a gift as well!

- The tags have a tag ID number that is assigned to a family, group home or facility.
- Each member in a family, group home or facility may have more than one gift based on need.
- More tags may be added, please check back if you are willing to take more tags.

Please only buy the gift items listed on your tag as each person has multiple tags. (You may buy multiples of what is listed). You are encouraged to take additional tags if you want to do more shopping.
