

Adult Faith Formation

JANUARY 7TH FIRE-UP YOUR FAITH & FELLOWSHIP

Ever wonder about activities you could use to teach your children that Jesus loves them individually and personally? Or strategies to help your child manage when the worldview is conflicting with the Word of God? On January 7th, after a prayer and a light meal, several people listened to a panel of three couples from St. John's providing information on these topics on Catholic Parenting. Interaction with the audience allowed questions and sharing.

This was hosted by the Adult Faith Formation Committee through their FIRE-UP Faith & Fellowship activities. Join us from 5:30-6:30 p.m. on the first Wednesday of the month (except April) for a light meal, interesting topics, and warm fellowship upstairs in the Fellowship Hall.

Next month's topic is Season of Lent-Join us on February 4th!

A book to help parents raise faithful, happy children was just published. **Child in Bloom: Practical Advice for Parenting Through the Growing Years.** From dynamic catholic books for \$16.72 each and no shipping cost.
