ST JOHN'S CATHOLIC CHURCH SENSORY-FRIENDLY MASS

This is a safe, welcoming space for individuals with differing abilities, their families, and anyone who wishes to attend Mass. During this shorter Mass, lights are dimmed and music is quieter. People are free to use noise-canceling headphones or take a break in the Calming Room (in the back of the church).

Our Parish is committed to creating a welcoming community that supports you participating in Mass just as you are!
