Rural Brick House on 8.6ac +/- with 3 Bay Workshop & RV Hookup - MUCH MORE THAN MEETS THE EYE-PLEASE READ THE DETAILS! Situated on approximately 8.65 hilltop acres, this unique property includes a 2,016-square-foot home, an automotive shop with a vehicle lift, a finished multi-vehicle garage, a full-service RV hookup, an underground storm shelter, and future expansion potential-all in one incredible package! The one-story home features 2 bedrooms and 2 full bathrooms in a peaceful, elevated setting. An extra-large patio between the home and garage may even offer the opportunity to expand the home above it, providing exciting flexibility for the future. Car enthusiasts, hobbyists, and anyone needing serious workspace will appreciate the tall steel automotive shop, complete with a concrete floor, lighting, multiple overhead doors, and a two-post vehicle lift. The dedicated RV hookup includes electric, water, and septic, along with the option to add gas-creating an excellent setup for an RV, visiting guests, or even the potential addition of a tiny home. A convenient underground storm shelter with exterior access provides added peace of mind. For buyers looking for an even more complete, turnkey opportunity, several additional items may also be negotiable, including a side-by-side, zero-turn mower, tractor with accessories, golf cart, and more! With acreage, major improvements, utilities, parking, workspace, storage, and multiple possibilities for future use or expansion, 534 Miller Drive is a rare property offering far more than you might expect at first glance! Any future construction or expansion should be independently verified by the buyer and confirmed with the appropriate authorities.
