**signature(s), date(s) and location of the subject property:**

2020 the house underwent a major remodel. During the remodel We added the front bedroom and bathroom on the east side of the use as well as the rear bedroom. This included pouring a new concrete slab under the new addition. All new electrical wiring was ran oughout the home as well as new plumbing. Central heat and air was also added. One interior wall was removed between the living room d dining room with load bearing components added. A new roof was constructed over the entire structure. All siding was replaced in 202 h the renovations. All new windows added through out the structure.
