Fully Remodeled Home on 2± Acres with Pond - Ultra-hip, fully remodeled 4 bedroom, 2.5 bath home on 2 acres with its own pond, attached 2-car garage and a rare detached flex building with additional garage bays. Step inside to an open, airy layout where the kitchen, dining and living spaces flow together, framed by large windows, built-in bookshelves and gorgeous natural light throughout the day. The modern kitchen anchors the main living area and is ideal for entertaining or everyday life, with sightlines across the great room so everyone stays connected. Split bedroom arrangement and updated baths provide comfort and privacy, while the overall design keeps the home feeling fresh, current and move-in-ready. Outside, the property lives like a small estate: 2 acres of usable land, mature trees, and a pond for relaxing, fishing or watching sunsets. The detached flex space is a game-changer-perfect for a rec room, craft studio, workshop, home gym or hobby space-with two extra bays for garage use or storage of vehicles, tools and toys. If you've been looking for modern style, open-concept living and serious space for projects, play and parking-all at an attractive price point-this one is a must-see. Schedule your private showing today.
