What interested you about serving on the Board of Directors?

I love knowing I have a say in decisions that directly affect my business and my association. So many people merely wait for a decision to be made for them, and I like knowing what is going on in our industry prior to new laws being implemented.

What experience, skills, or perspective would you bring to the Board, and how would these contribute to the organization's goals?

I have served on the SMR Board of Directors, RPAC Task Force for several years, and the Government Affairs Committee including being Chair. My MAR service includes RPAC Committee and several concurrent years on the Government Affairs Committee. I also have served at NAR on the Housing Committee, RPAC Major Investor Committee for concurrent years, RPAC Participation Committee. Plus, I am a proud graduate of the MAR Leadership Academy.

How have you been involved with the association and real estate community, and how would you represent the interests of all members?

I regularly attend the BSC MLS Tour meetings and a group of commercial real estate brokers who meet once monthly. I regularly attend my brokerage's weekly meetings, and I attend the NAR annual meetings, the RPAC Advocacy meetings in Washington, the NAR RPAC President's Circle Conventions, and regularly report back to my brokerage and state committees. I served on the SMR Board of Directors for two consecutive 3 year terms. I attend each SMR general membership meetings. I also attend the UM Economic review of the state which is held twice a year in Bozeman.
