

TREASURER

KIM STEVENS

**Windermere Great Divide - Bozeman
REALTOR® - 7 Years**

What interested you about serving on the Board of Directors?

I want to be a part of the REALTOR® community and look at the bigger picture of the association and what needs the members have. I want to find ways to bring more value to the members.

What experience, skills, or perspective would you bring to the Board, and how would these contribute to the organization's goals?

Being the Treasurer of the Association for the past year and half has given me the opportunity to learn what the needs of the Association are currently and what is coming down road. I graduated with a degree in Economics and prior to being a REALTOR®, I was a financial advisor. This past experience has given me a solid background in making analytical financial decisions and developed advanced problem-solving skills.

How have you been involved with the association and real estate community, and how would you represent the interests of all members?

I have served on the Board and Executive committee as the Treasurer for the past year and a half and been a member of the Finance Committee for the past 3 years. I want to continue to give back to the REALTOR® community and help make prudent decisions that impact all of its members. I always ask myself is this beneficial for our members when we are making decisions.
