

DIRECTOR – 3 YEARS

TESS SPRIGLER

**Realty One Group Peak
REALTOR® - 6 Years**

What interested you about serving on the Board of Directors?

I'm excited about the opportunity to serve on the Board of Directors because I believe in being actively involved in and giving back to the community and industry I'm a part of. I want to be a voice for my fellow REALTORS®, contribute to the continued growth of our profession, and help support an organization that plays such an important role in our local real estate community. I'm committed to being involved, showing up, and doing my part to help make our industry stronger for everyone.

What experience, skills, or perspective would you bring to the Board, and how would these contribute to the organization's goals?

I would bring a strong commitment to collaboration, communication, and being an active member of our REALTOR® community. My experience in real estate along with over 10 years of management and leadership has given me a firsthand understanding of the challenges and opportunities our industry faces, and I believe in approaching those with an open mind and a willingness to listen and learn.

I value relationships, teamwork, and following through on commitments. I would bring a positive, solution oriented perspective to the Board and a genuine desire to understand the needs of our members. My goal would be to help foster a strong REALTOR® community, support our members, and contribute to initiatives that strengthen our profession and our local real estate industry.

How have you been involved with the association and real estate community, and how would you represent the interests of all members?

I have been actively involved with the association through serving on the Partner Committee for three years, the Finance Committee for two years, and the Southwest Montana REALTOR® Foundation Golf Task Force for the past year. Each of these experiences has given me a greater appreciation for the work our association does and the importance of having members who are willing to get involved and contribute.

One of the things I find most fulfilling is bringing people in our industry together to network, build relationships, and support one another. I believe that when we are connected and working together, we create a stronger real estate community and a stronger industry.

As a Board member, I would strive to represent all members by listening to different perspectives, staying open to new ideas, and making decisions with the best interests of our entire membership in mind. I want every REALTOR® to feel that they have a voice and that their association is working for them. I would bring the same enthusiasm, commitment, and willingness to be involved that I have demonstrated through my committee service.
