

CARING FOR THE ADIRONDACKS, CLOSE TO HOME

Deep in the six million acres of the Adirondack Park, one hospital stands ready to meet life's moments, providing care through emergencies, surgeries, and life's new beginnings.

Adirondack Health is the only full-service hospital inside the Park, your hospital, your lifeline.

Your support ensures care is always within reach, that's the power of the Annual Fund.

Your Gift Makes a Difference in Three Critical Ways

1. Advance Access

Ensuring patients receive safe, timely, local care, without leaving the Adirondacks.

Supported items include:

- Strengthening specialty care
- Expanding access to vital health and wellness services
- Providing education that promotes lifelong health
- Addressing barriers to care through transportation, food access, and medication assistance

Your gift keeps essential care in our community, close to family and home.

2. Enrich Workforce

Supporting the people who care for our community.

Your gift helps us:

- Train and retain exceptional clinicians
- Offer advanced education & professional development
- Strengthen recruitment for rural medicine
- Provide tools that reduce burnout and support excellence

3. Enhance Infrastructure

Modernizing the equipment and technology that keep care strong.

Examples include:

- Upgrade imaging systems
- Advanced diagnostic and surgical tools
- Security Technology & IT Infrastructure

WHY THE ANNUAL FUND IS ESSENTIAL

In rural healthcare, philanthropy isn't a "nice-to-have."

It's the margin of excellence that ensures we can meet the needs of the region, every day.

Your investment helps us:

- Keep surgeries, imaging, and diagnostics local
- Modernize equipment before it fails
- Support clinicians with training and tools
- Reduce patient transfers and delays
- Strengthen healthcare for future generations

Every gift protects the vitality of Adirondack Health, today and tomorrow.

"When you live in the Adirondacks, you shouldn't have to leave home to receive excellent care. Your gift makes that possible."
