FOXIE'S FUTURE

About

Foxlease Park is a 63 acre site near Lyndhurst in the New Forest, offering activities, camping, residential stays and experiences to young people and the local community.

It has been recently acquired by Foxie's Future CIO (RCN 1204342), a charity incorporated in August 2023 following the previous owner's decision to close and sell the site. The charity raised over £4 million to buy the site, which included a significant grant of £1.78 million from Round 3 of the Government's Community Ownership fund, and completed its purchase on 19th November 2024.

Volunteer opportunities are available please email volunteer@foxlease.uk

You can support our fundraising by donating to our current crowdfunding project, which is also linked above or by purchasing something we need from our Amazon Wishlist.

The Trustees of Foxie's Future look forward to welcoming you to Foxlease Park very soon.
