

## **Angel Card Reader Workshop**

### **Overview**

### **Course Details and Syllabus**

This workshop gives you a good foundation into conducting Angel card readings for the self and others. You will learn how to use your intuitiveness to gain insight and guidance around situations you are experiencing. A great number of people are drawn to angels and this workshop allows you to enhance your knowledge and provide support and guidance from the Angelic kingdom. Developing a closer connection with the Angelic realm allows people to deal with issues in a supportive way as Angels work from love and light. As the course is intuitively taught you will have plenty of opportunity to practice on the day.

**Course Times:** 10.15am – 5.15pm

**Cost:** £85

#### **Resources provided:**

- Printed course notes
- Resource / Worksheets for ongoing assessment with practicals.

#### **Entry Requirements:**

There is no need for students to have any previous knowledge of the subject area, except an interest in this area. Students will be required to work with suitable oracle card deck for use during the workshop.

**Outcomes:** The course is intended for those who wish to learn how to conduct Angel Card Readings in a professional manner for themselves or others. Students will feel confident in learning how to intuitively connect to their chosen cards for spiritual insight and guidance. There will be opportunity to learn and undertake a variety of types readings for different scenarios/situations. This intuitive course is underpinned by practical exercises to reinforce your learning.

Students will be required to follow-up with practicing readings on self, family and friends. It is also worthwhile to keep a testimonials book for feedback on the reading.
