## Course Overview

Our Activity First Aid course is designed for anyone requiring Emergency First Aid with that little bit extra.

Not only is this course HSE compliant, we can focus on the specific needs of your group and offer bespoke packages. Guidelines from your governing bodies such as the RFU's HEADCASE protocols and the FA's "If in doubt, sit them out" concussion guidelines, can also be included.

Packed with real-life practical scenarios we aim to make this an interactive experience.

Our team of expert trainers have over 20 years experience working on the front line of ambulance services and in clinical settings as registered healthcare professionals.
