

Qualsafe Level 3 Award in Combined First Aid at Work and Paediatric First Aid (RQF)

COURSE OVERVIEW

Combining the Qualsafe Level 3 Award in First Aid at Work and the Level 3 Award in Paediatric First Aid into three extended days of classroom learning, this specially designed course provides the skills and knowledge needed to provide both adult and paediatric first aid, whilst minimising the number of training days required to achieve both qualifications.

The Combined First Aid at Work and Paediatric First Aid course has been specifically designed for those who work in setting that require both First Aiders and Paediatric First Aiders, such as schools, sports club and other childcare settings.

This course meets the standards required to comply with Health and Safety (First Aid) Regulations 1981 and is Ofsted and EYFS compliant.

Packed with real-life practical scenarios we aim to make this an interactive experience. Our team of expert trainers have over 20 years experience working on the front line of ambulance services and in clinical settings as registered healthcare professionals.
