

Qualsafe Level 3 Award in Emergency First Aid at Work (RQF)

coreconcepts
Training & Development

Course Overview

Packed with real-life practical scenarios we aim to make this an interactive experience.

Our team of expert trainers have over 20 years experience working on the front line of ambulance services and in clinical settings as registered healthcare professionals.

For higher-risk environments, larger teams, or workplaces with specific medical needs, the 3-day First Aid at Work (FAW) course is recommended.

What is covered?

- The roles & responsibilities of a first aider
- CPR and AED
- Primary survey
- Managing an unresponsive casualty
- Recovery position
- Choking
- Anaphylaxis
- Wounds, bleeding and shock
- Seizures
- Asthma
- Heart attack
- Stroke
- Diabetes
- Broken bones
