Academy Team Selections – 2026 Season

First off, we appreciate your patience while we worked through the data, the feedback and the footage to get to the final decision. Thank you to all players for your efforts throughout the trial period. The level across the groups this year has been incredibly high, and the selection process has been both competitive and challenging. We have had to make some very tough decisions, and every player should be proud of the work they've put in.

Congratulations to the players who have been selected for the Academy squad. Your performances and progression have earned you this opportunity, and we look forward to supporting your continued development.

For those who have not been selected this time, we know this news can be disappointing. This does not define your potential or your future in football. Many players develop at different rates, and we remain committed to helping you grow, improve, and enjoy the game. Your attitude and resilience are just as important as ability.

Finally, we ask all players, selected or not, to look after one another. Selection periods can be an emotional time, and showing respect, empathy, and support for your teammates is a core part of what makes our club strong.

As normal, we will be holding the Team Selection sessions for the rest of the club in February 2026.

From the coaches, staff and I, we wish you all a Happy Christmas and New Year. We hope you have a great break and we will see you next year.

Kind regards,

Garbhan Coughlan
