Coach/Manager Friday Afternoon Checklist

1. Check your fixture on the Mainland Football website - ground allocations and kick-off times can change through the week, so always confirm the latest information on Friday afternoon when all fixtures have been confirmed.
2. Determine whether you are the Home or Away team:
 - If you are the **Away team** (listed second on the fixture), you do not need to collect or return any equipment.
 - If you are the **Home team** (listed first on the fixture), continue to Step 4.
3. Open the Net Roster and locate your confirmed playing ground.
4. Locate your team name and check the instructions alongside:
 - Whether you need to collect equipment, and what equipment is required (nets and corner flags, or corner flags only).
 - Whether equipment should be left at the ground for another CTFC team playing after you.
 - Whether you are responsible for returning equipment after the match.
5. Organise the person who will collect and/or return your teams equipment and provide them the relevant codes and key collection information. We recommend saving and sending the person a copy of this Roster.
