

# CTFC Home Team Net Duties

## Saturday 27th June

Thank you for reviewing the information below and checking the Net Roster each week - we appreciate your diligence when collecting or returning equipment.

*The most common issue we see is teams collecting nets when they are not required - please check if your ground has permanent nets.*

**PLEASE NOTE: Due to the postponement of the Centennial Park competition on Saturday 27 June, a CTFC representative will be at the Centennial Park garages between 8:00am and 9:00am for net collection.**

### Coach/Manager Friday Afternoon Checklist

1. Check your fixture on the Mainland Football website - ground allocations and kick-off times can change through the week, so always confirm the latest information on Friday afternoon when all fixtures have been confirmed.
2. Determine whether you are the Home or Away team:
  - If you are the **Away team** (listed second on the fixture), you do not need to collect or return any equipment.
  - If you are the **Home team** (listed first on the fixture), continue to Step 4.
3. Open the Net Roster and locate your confirmed playing ground.
4. Locate your team name and check the instructions alongside:
  - Whether you need to collect equipment, and what equipment is required (nets and corner flags, or corner flags only).
  - Whether equipment should be left at the ground for another CTFC team playing after you.
  - Whether you are responsible for returning equipment after the match.
5. Organise the person who will collect and/or return your teams equipment and provide them the relevant codes and key collection information. We recommend saving and sending the person a copy of this Roster.

Please note that in some cases:

- You may need to collect equipment but leave it at the ground for a later CTFC team to use.
- You may not need to collect equipment because a CTFC team has played before you, but you may still be responsible for returning it after your match.

### ***“Why can't the Club provide each team with nets and corner flags for the season?”***

We would love to provide every team with their own set of nets and corner flags at the start of the season. However, a Club of our size comes with both benefits and challenges. With more than 135 teams across the Club, the cost of purchasing and maintaining a full set of nets and corner flags for every team is beyond what is financially sustainable.

By sharing equipment across teams and grounds, we can make the best use of Club resources while continuing to invest in facilities, equipment, and programmes that benefit all players. We appreciate everyone's support in helping care for and return equipment so it remains available for all teams throughout the season.

**PLEASE NOTE: Due to the postponement of the Centennial Park competition on Saturday 27 June, a CTFC representative will be at the Centennial Park garages between 8:00am and 9:00am for net collection.**

#### **Addington Park - PERMANENT NETS**

x4 corner flags to be collected from & returned to Centennial Park garages. If the garage is closed, please leave in the Pavilion changing rooms using the lockbox, code #2468
