

CTFC Home Team Net Duties

Saturday 4th July

Thank you for reviewing the information below and checking the Net Roster each week - we appreciate your diligence when collecting or returning equipment.

“How are ground closures, and game cancellations decided and communicated?”

Detailed information is available at the bottom of our Grounds webpage [here](#) - new coaches and managers are encouraged to review this information.

Coach/Manager Friday Afternoon Checklist

1. Check your fixture on the Mainland Football website - ground allocations and kick-off times can change through the week, so always confirm the latest information on Friday afternoon when all fixtures have been confirmed.
2. Determine whether you are the Home or Away team:
 - If you are the **Away team** (listed second on the fixture), you do not need to collect or return any equipment.
 - If you are the **Home team** (listed first on the fixture), continue to Step 4.
3. Open the Net Roster and locate your confirmed playing ground.
4. Locate your team name and check the instructions alongside:
 - Whether you need to collect equipment, and what equipment is required (nets and corner flags, or corner flags only).
 - Whether equipment should be left at the ground for another CTFC team playing after you.
 - Whether you are responsible for returning equipment after the match.
5. Organise the person who will collect and/or return your teams equipment and provide them the relevant codes and key collection information. We recommend saving and sending the person a copy of this Roster.

Please note that in some cases:

- You may need to collect equipment but leave it at the ground for a later CTFC team to use.
- You may not need to collect equipment because a CTFC team has played before you, but you may still be responsible for returning it after your match
