

CTFC recognises that gender diverse players may be unsure of which options are available and most suitable to them i.e. mixed teams or girls-only. We are committed to supporting *all* members of our community and working with families to help each player find the environment that suits them best. If you would like to discuss your player's options further, please email [enquiries@ctfc.co.nz](mailto:enquiries@ctfc.co.nz).
