How to Make Puzzle Faces

①

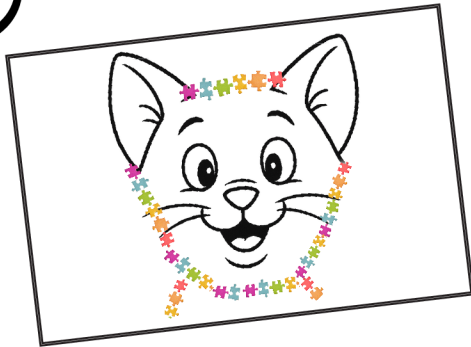

Collect Colorful Used Jigsaw Puzzle Pieces.

②

Print out a Puzzle Face Template.

③

Choose Your Favorite Puzzle Pieces and Glue.

④

Consider Coloring the Puzzle Face Too.

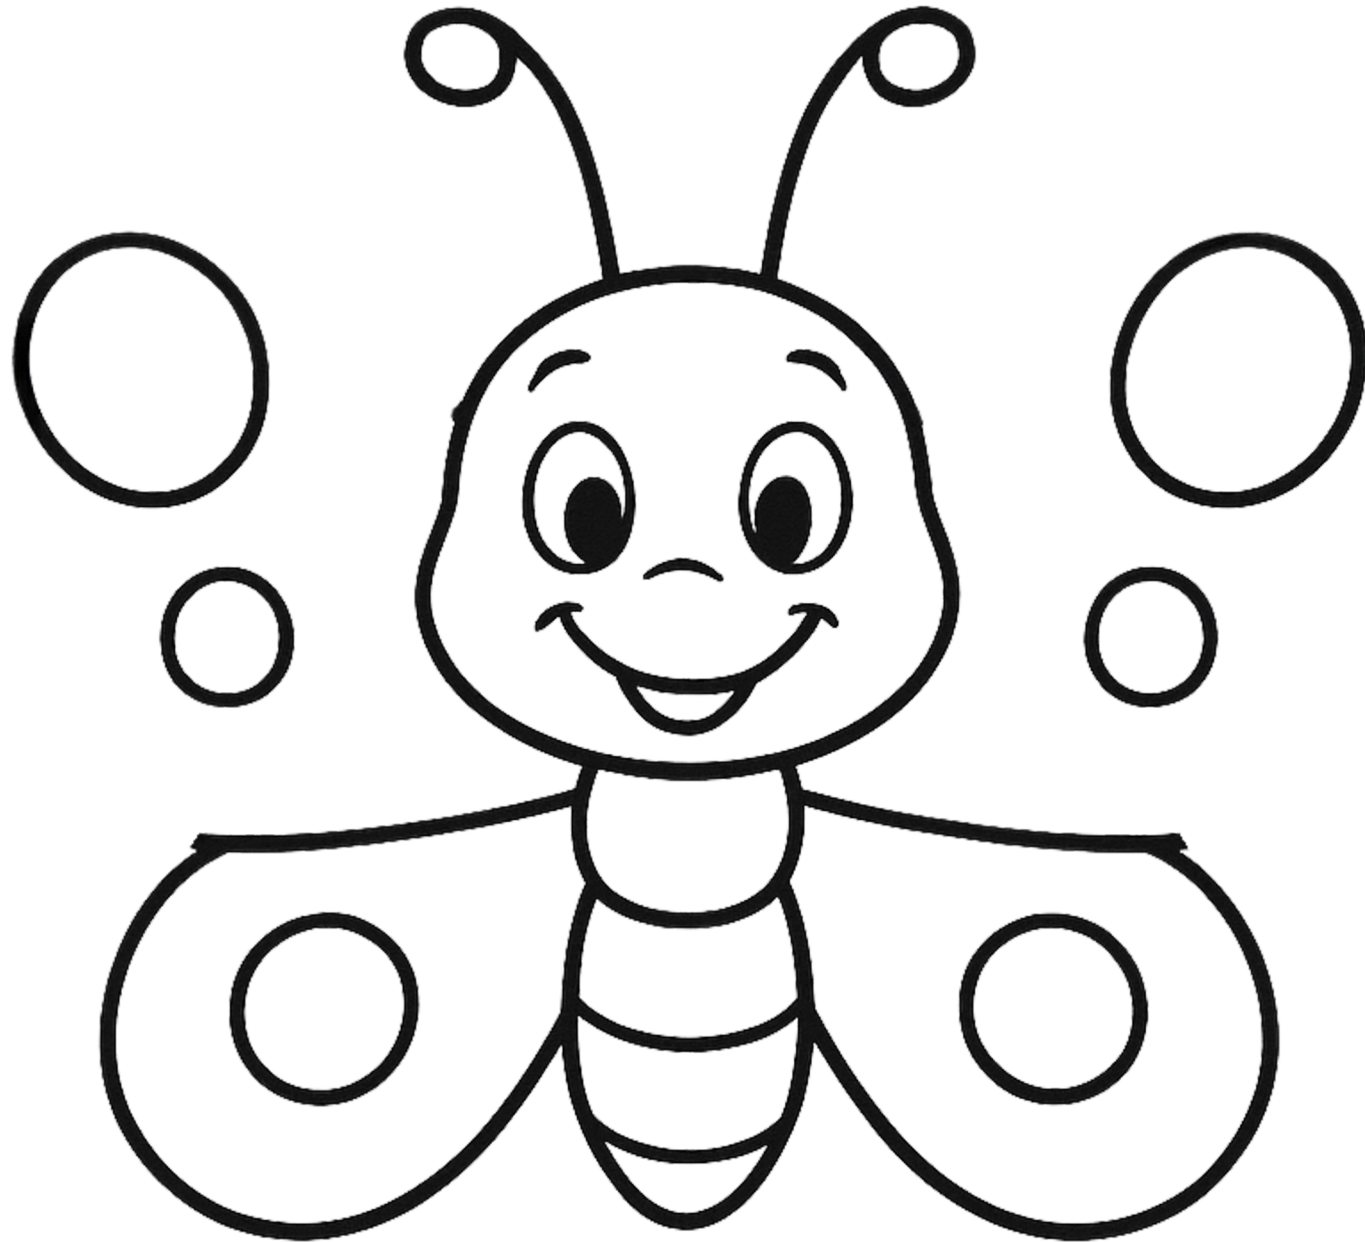

Don't Forget:

- For each Puzzle Face template you need at least 15-20 pieces, but you can use as many pieces as you want!
- Use different shapes of puzzle pieces to make your face perfect to fill in the lines
- Try different colors for your creation.

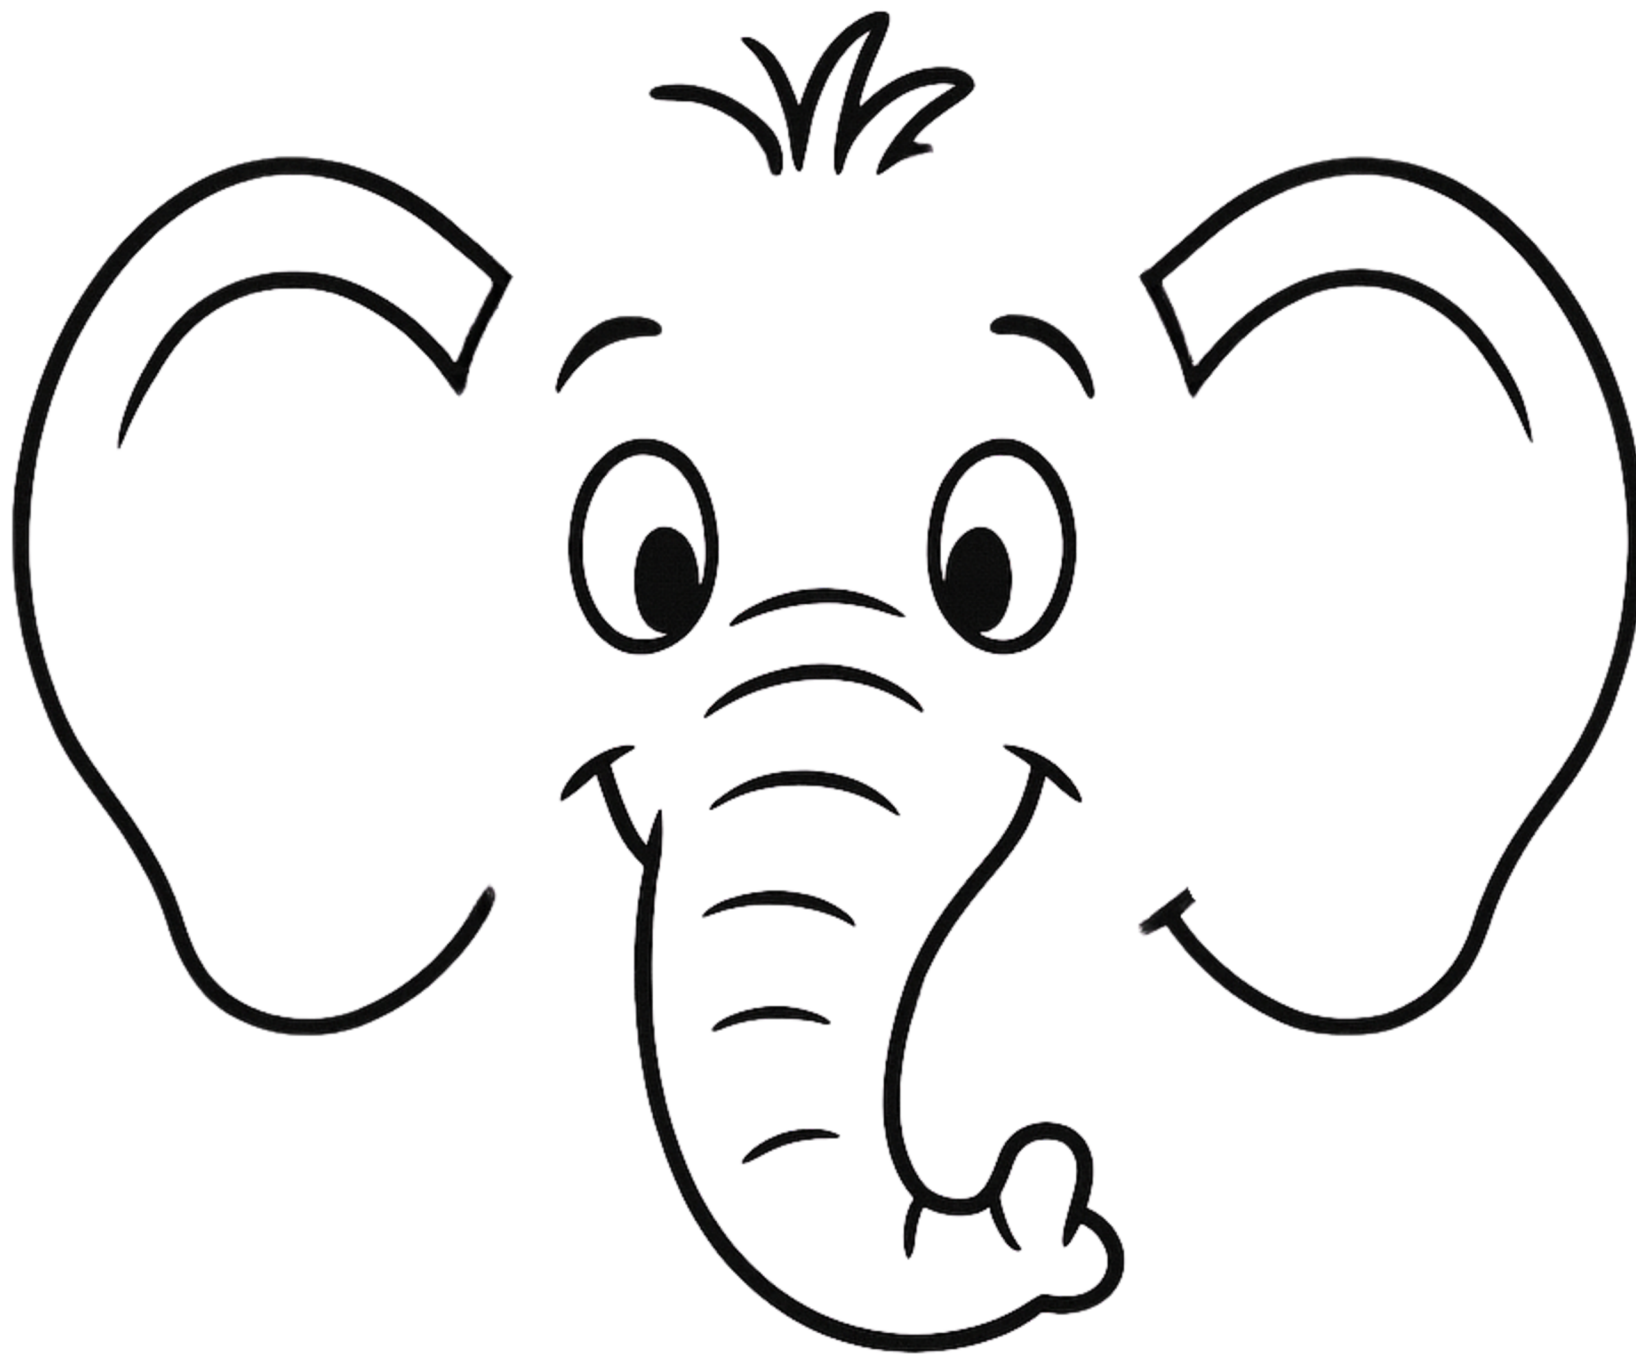

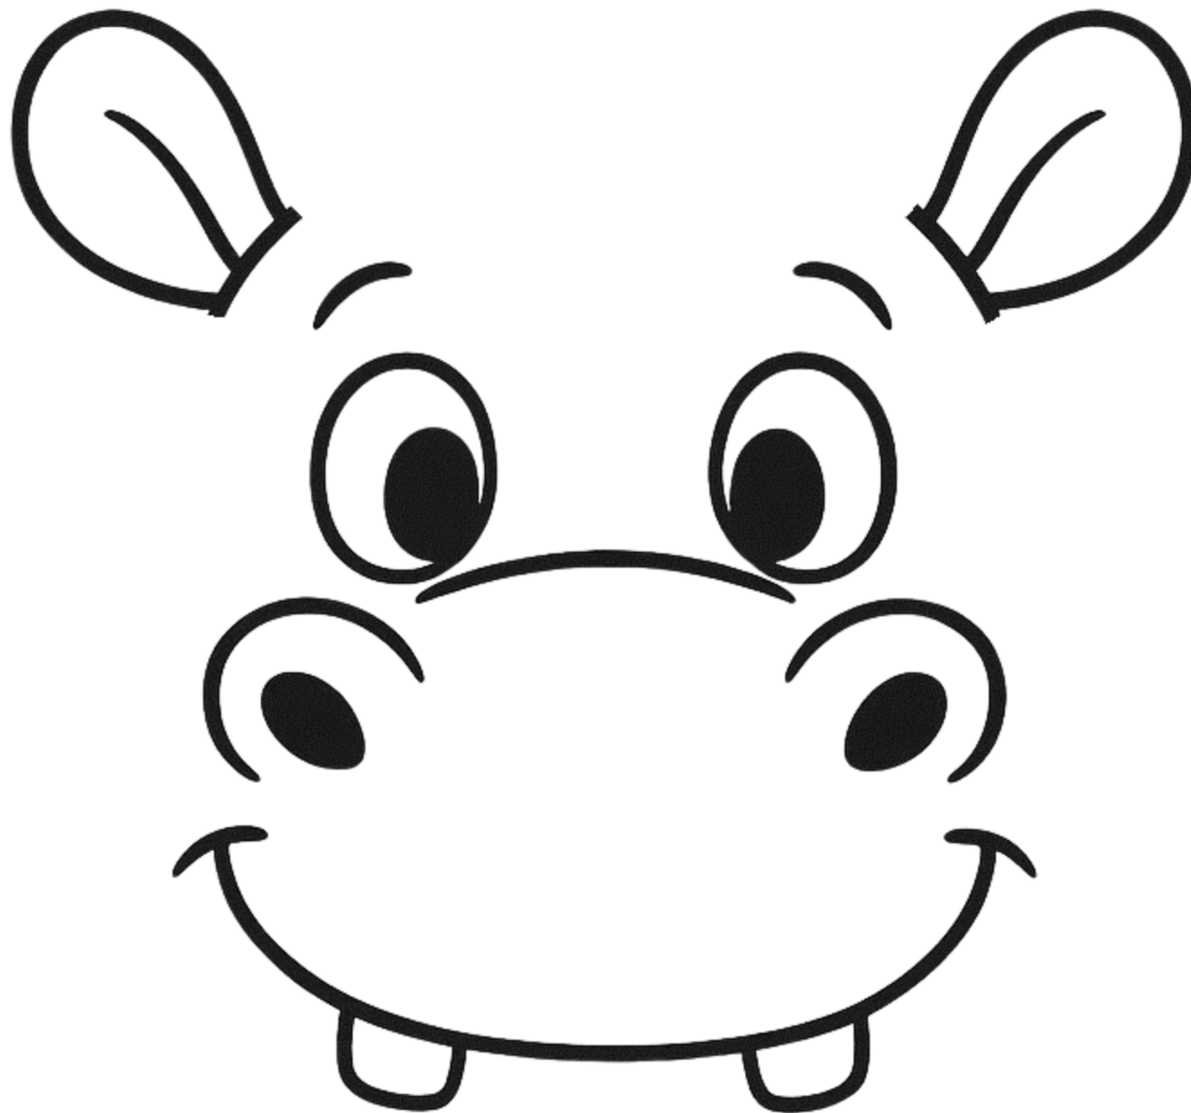

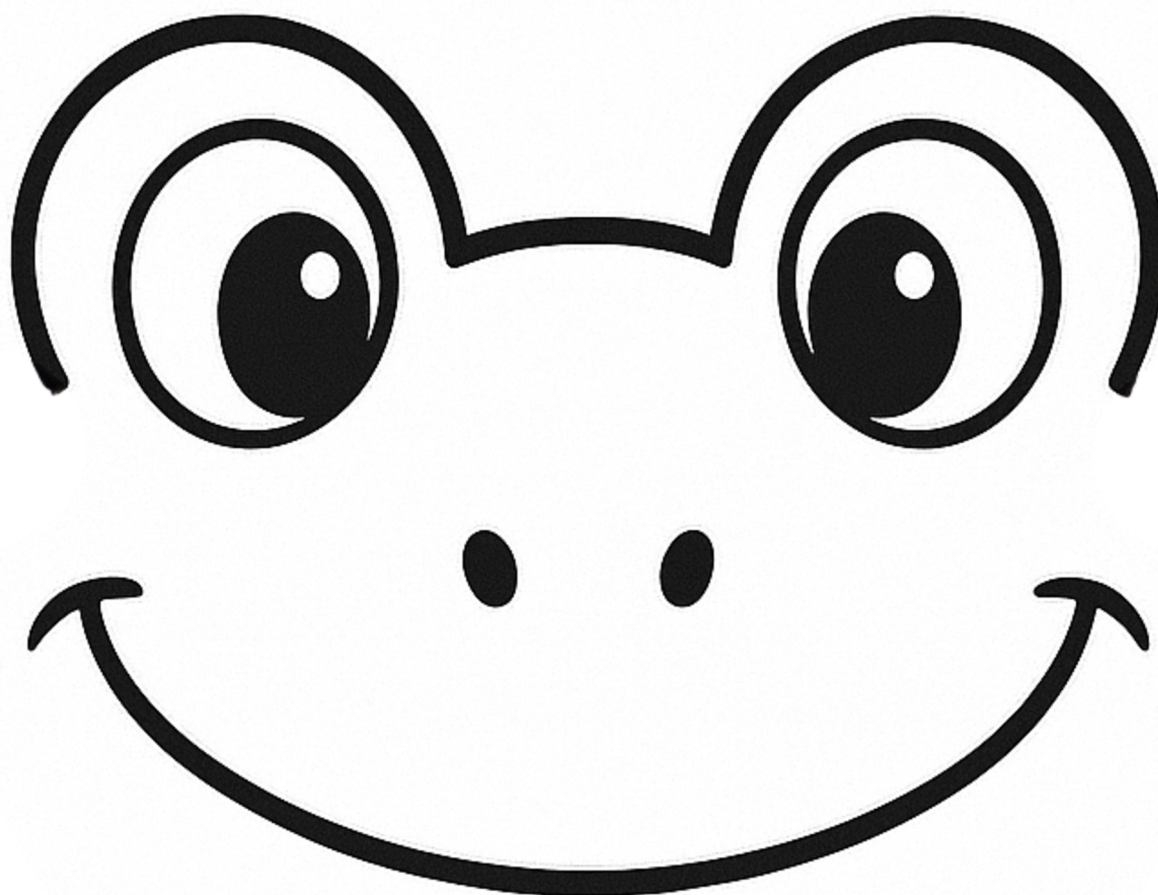

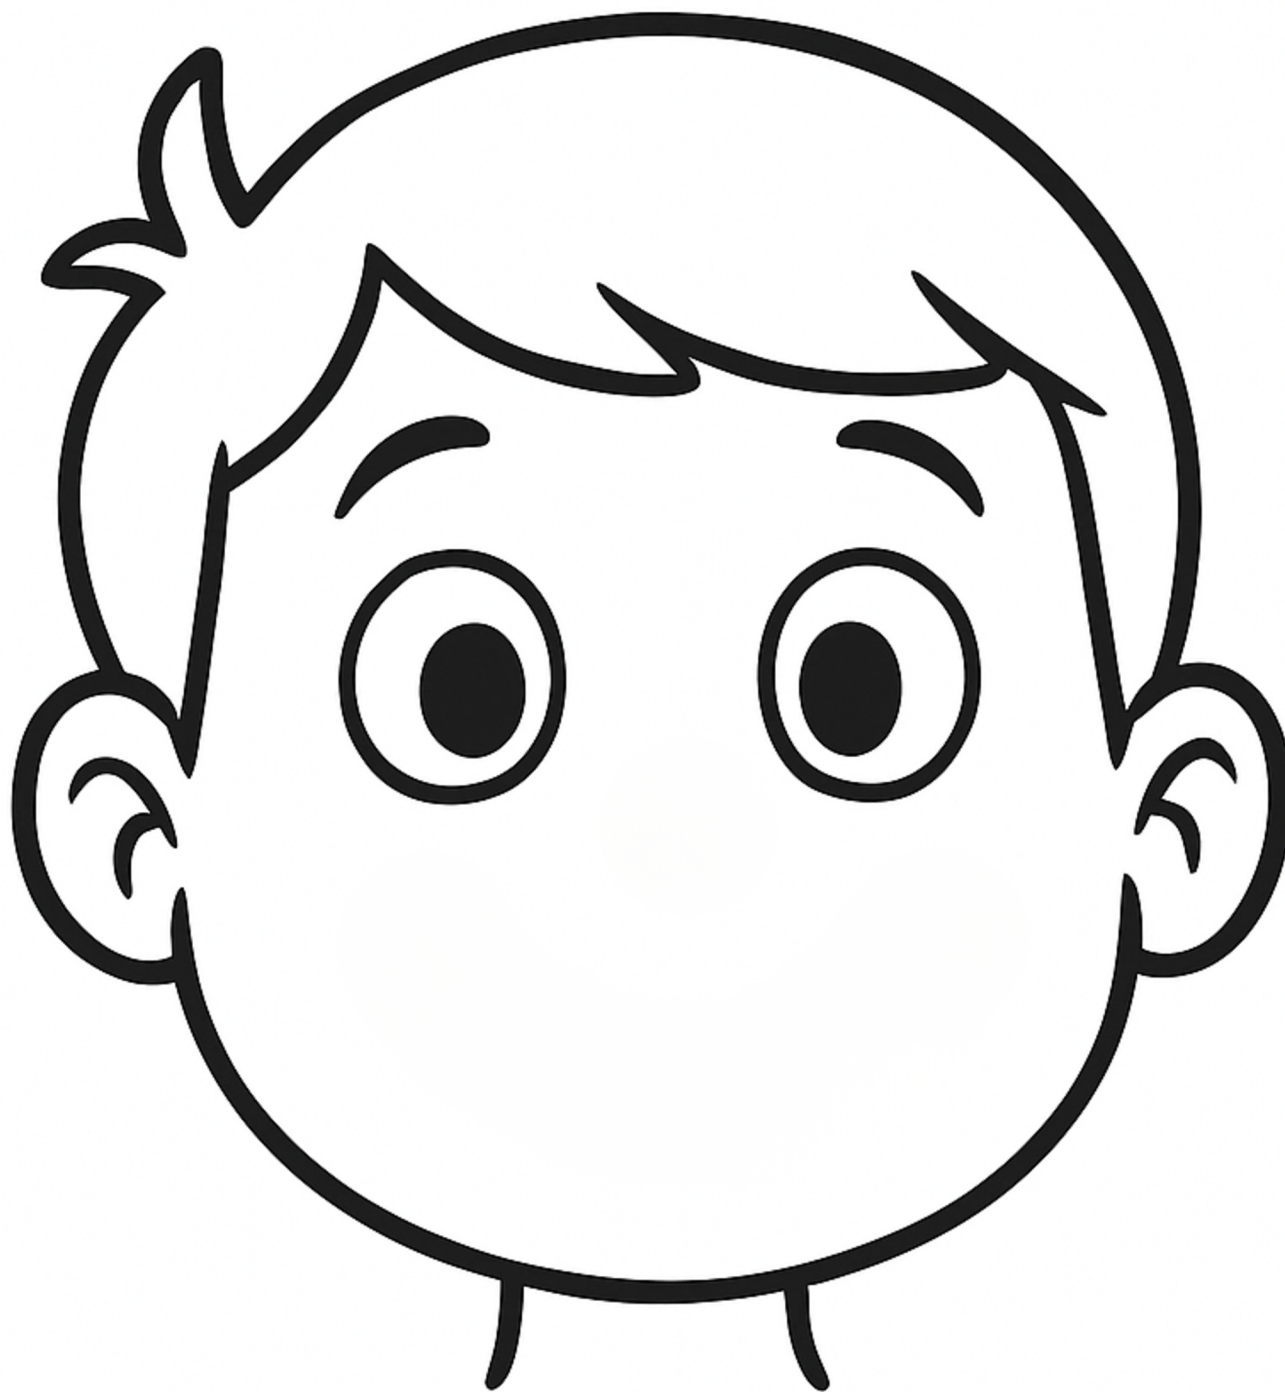

Puzzle Face Original Images

If you're looking to see where you can place the jigsaw puzzle pieces as the lines weren't on the templates, here are the original illustrations - lines included. It's easy to see the differences and compare where the suggested jigsaw puzzle pieces could go.
