Warranties: Our funeral home makes no representations or warranties about the protective value of certain outer burial containers other than those made by the manufacturer. The only warranties, expressed or implied, granted in connection with the goods sold with this funeral service are the EXPRESSED WRITTEN warranties extended by the manufacturer thereof. No other warranties of merchandising fitness for a particular product are extended by the seller.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink. Either a grave liner or a burial receptacle will satisfy these requirements.
