

Critical Illness Insurance

- **HELPS PROTECT YOUR FINANCES FROM AN ILLNESS.** When you, your spouse or child is diagnosed with a covered condition, you can receive a cash benefit.
- **PAYMENT COMES DIRECTLY TO YOU.** While your medical plan may cover most direct costs associated with an illness, Critical Illness insurance can be used to pay for any expenses, medical or not. It pays in addition to other coverage you may already have.
- **INCLUDES THE WELLNESS BENEFIT.** Also referred to as Preventive Health Benefit. It pays you directly when you take certain preventive screening tests, like mammograms, certain types of blood tests, vision exams and more – up to 75 types of tests provide a benefit.

Frequently asked questions

Why is the Recurrence Benefit important?

If you receive a benefit for a condition or type of condition covered under this plan and are later diagnosed with the same condition, a Recurrence Benefit may be payable. If this happens to you we'll pay you an additional benefit if you meet the Recurrence Benefit requirements for that condition. Not all covered conditions are eligible for recurrence. See your Certificate for more information on recurrence benefits. Benefit requirements may vary by condition.

Can I receive benefits for more than one critical illness?

Yes. Only one condition is payable if more than one condition is diagnosed on the same date. You can only claim benefits once for each covered condition unless a Recurrence Benefit is payable.

How do I file a Critical Illness claim?

If you have a diagnosis after the effective date of coverage, you can file a claim with us online by visiting www.sunlife.com/onlineclaims or by downloading forms from our website at sunlife.com/account. We'll ask that you and your doctor provide information about your medical condition.

How do I get the Wellness Benefit?

You may be paid the benefit when you or a covered family member have a wellness screening, like specific blood tests, cancer screenings, cardiac stress tests, immunizations, school sports exams and more. You can file a claim with us online by visiting sunlife.com/onlineclaims. The claim form can also be downloaded from our website at sunlife.com/account.

What is the Health Navigator Help Line?

You can use the Health Navigator Help Line (accessible by phone or web) to connect with a Care Advisor for

guidance on your medical benefits, upcoming medical appointments, physician referrals or assessment, and recommendations of clinical and community resources.

Additionally, the expert advisory team can help review and answer questions on medical bills and claims, education on the appeals process, fee and payment plan negotiation information, and direct you to financial resources.

How is my benefit taxed?

If you or your employer pay for all or part of the cost of coverage on a pre-tax basis, some or all of your benefit amount will be tax reported on a Form 1099 as taxable income. Please reach out to a tax advisor or your employer if you have any questions.

Can I take my insurance with me if I leave my employer?

Depending upon state variations and your employer's plan, you may have an option to continue coverage when your employment terminates. Your employer can advise you about your options.

Read the *Important information* section for more details including limitations and exclusions.

"Critical Illness insurance" is a limited benefit policy. The certificate has exclusions, limitations and benefit waiting periods for certain conditions that may affect any benefits payable. Benefits payable are subject to all terms and conditions of the certificate. Read the Important information section for more details including limitations and exclusions.

Important information

This coverage does not constitute comprehensive health insurance (often referred to as “major medical coverage”). It does NOT provide basic hospital, basic medical, or major medical insurance.

To become insured, you must meet the eligibility requirements set forth by your employer. Your coverage effective date will be determined by the Policy and may be delayed if you are not actively at work on the date your coverage would otherwise go into effect. Similarly, dependent coverage, if offered, may be delayed if your dependents are in the hospital (except for newborns) on the date coverage would otherwise become effective. Refer to the Certificate for details.

Exclusions

The below exclusions may vary by state law and regulations. This list may not be comprehensive. Please see the Certificate for details.

Critical Illness

We will not pay any benefit that is caused by, contributed to in any way, or resulting from any Covered Condition Diagnosed outside the United States or Canada without confirmation of the Diagnosis by a Physician who practices in the United States or Canada.

We will not pay a benefit that is due to or results from services, treatment or complications not included in the Benefit Highlights; provided by an immediate family member; or unrelated to a Critical Illness/Specified Disease. These include:

- Substance abuse, including abuse of alcohol, alcoholism, abuse of a legally obtained prescription medication, and illegal use of a non-prescribed drug or narcotic; or
- Voluntarily taking or using any drug, medication, narcotic, or controlled substance, unless it is:
 - Administered and taken as prescribed by a Physician for the covered person; or
 - Taken according to the “over the counter” package directions

Covered conditions have specific definitions and diagnostic criteria that must be met (along with supporting documentation) for a benefit to be paid. For more information, please refer to your Certificate, contact your Benefit Administrator or visit sunlife.com/ciconditions.

Value-added services are not insurance, are offered only on specific lines of coverage, and carry a separate charge, which is added to the cost of the insurance. The cost is included in the total amount billed.
