

MOON'S WINES

& DRINKS MENU: Moon

RESTAURANT

In this menu we strive to create a “map of wines” that includes at least one wine from each European wine region.

This will give you more choice of aromas, flavours and grape varieties than in other menus of similar size.

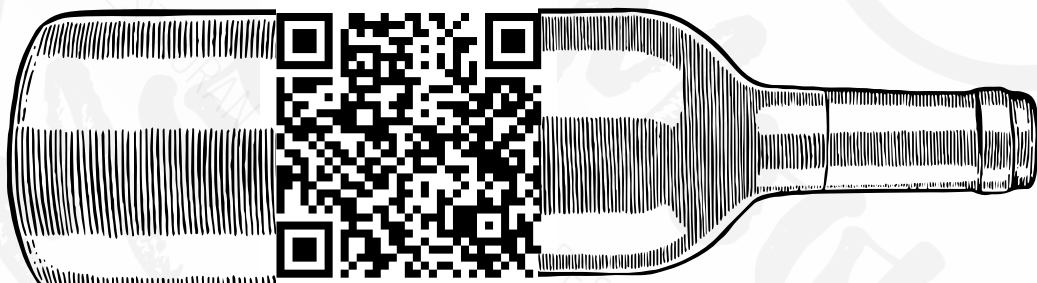

The menu is organised by wine categories: sparkling, cider, white, rosé, red and sweet.

Each category is then organised in groups of flavour profile, from lightest to heaviest.

Looking for something extraordinary? Go to our “Réserve de la réserve” chapter
