Taxiway R and Cargo Facility
Finding of No Significant Impact/
Final Environmental Assessment

The Federal Aviation Administration (FAA) has issued a Finding of No Significant Impact (FONSI) based upon completion of a Final Environmental Assessment (EA) which analyzed the potential environmental impacts associated with a proposal to construct a new taxiway and cargo facility at the Atlantic City International Airport (ACY). This Federal environmental approval is a determination that the requirements imposed by applicable environmental statutes and regulations have been satisfied. Interested parties may view the Final EA and FONSI, as the publication date of this notice, at the Atlantic City International Airport, 101 Airport Road, Suite 106, Egg Harbor Township, NJ 08234 and on the internet at:
