## Transportation Planning Intern

The South Jersey Transportation Planning Organization (SJTPO) seeks a motivated, analytical, and organized individual to serve as a summer intern. The ideal candidate is pursuing or has completed a bachelor's degree, or is pursuing a master's degree in urban planning, transportation planning, engineering, or a related field. Preference will be given to rising seniors or graduate-level students with relevant coursework or experience.

This internship provides a valuable opportunity to develop a well-rounded understanding of transportation planning in a collaborative and professional environment. For administrative purposes, the intern will report to the Executive Director and will work with staff across the transportation planning program areas, gaining exposure to key focus areas, including:

- **Regional Planning & System Performance** – supporting performance monitoring initiatives, long-range planning, human services transportation, and multi-modal planning, along with environmental, resiliency, and freight planning
- **Safety Initiatives & Complete Streets** – supporting planning efforts to enhance transportation safety, complete streets, and the growth and development of the South Jersey Trails network.
- **Capital Programming & Project Development** – contributing to the planning and coordination of transportation projects and allocation of funding resources.
- **Title VI & Public Outreach** – gain an understanding of the public outreach process and lead the development of a short-narrated video(s) detailing the overall importance of the organization.

SJTPO is an Equal Opportunity Employer.

SJTPO intends to hold interviews for top candidates the week of April 27, 2026, with an anticipated start date in early June 2026. The position is in person only, and the intern should expect to work on site at the SJTPO office in Vineland, NJ. Seasonal employment will continue through the Summer 2026 academic break.

### **Compensation:**

Interns pursuing bachelor's degrees will be paid \$20 per hour. Those who have or are pursuing a master's degree will receive \$23 per hour.

### **Qualifications:**

- Currently pursuing or recently completed a degree in Urban Planning, Transportation Engineering, Geography, or a related field
- Familiarity with transportation planning concepts
- Excellent written, verbal, and technical communication skills
- Well-versed in using Microsoft Office
- Experience with Microsoft Access is desirable
- Experience with ArcGIS Pro and ArcGIS Online is desirable
- Experience with Microsoft Access, ArcGIS Pro, and ArcGIS Online is desirable
- Understanding of or willingness to learn video production
