RESOLUTION 2026-24 OF THE SOUTH JERSEY TRANSPORTATION AUTHORITY APPROVING THE SUBMISSION OF THE FINAL NOTICE OF ADOPTION OF THE ATLANTIC CITY INTERNATIONAL AIRPORT'S RULES AND REGULATIONS TO THE OFFICE OF ADMINISTRATIVE LAW AND THE PUBLISHING OF THE FINAL NOTICE OF ADOPTION IN THE NEW JERSEY REGISTER AND AUTHORITY WEBSITE

N.J.S.A. 27:25A-7(q) of the Act authorizes the SJTA to promulgate rules and regulations necessary for the management and regulation of its affairs and the use, maintenance and operation of the transportation system. The Airport's Rules and Regulations were last adopted, in approximately 2022; and the Executive Director and Chief of Staff, in consultant with General Counsel and the Governor's Authorities Unit, reviewed the current Rules and Regulations and determined certain amendments and updates were necessary for compliance with New Jersey law and current Authority operations; and pursuant to Resolution 2025-93, the Board of Commissioners approved the Notice of Proposal for amendments to the Atlantic City International Airport's Rules and Regulations for submission to the New Jersey Office of Administrative Law for publication in the New Jersey Register and on the Authority's website. Following the publication in the New Jersey Register, the Authority had a 60-day comment period to receive comments related to the Notice of Proposal, which expired on or about January 16, 2026. The Authority, in consultation with General Counsel and the Governor's Authorities Unit, has drafted a Notice of Final Adoption of the Rules and Regulations to be submitted to the New Jersey Office of Administrative Law and published in the New Jersey Register and on the Authority's website. The Commissioners have reviewed the Notice of Final Adoption of the Rules and Regulations and determined that they are necessary, reasonable and proper for the purposes for which they are promulgated. The Authority desires to publish the Final Notice of Adoption of the Atlantic City International Airport's Rules and Regulations as attached hereto and incorporated herein as Schedule "A" and to authorize the filing of such with the Office of Administrative Law in compliance with the Administrative Procedures Act. That the Commissioners of the Authority do hereby authorize the Executive Director, or his designee, to file the Final Notice of Adoption of the Atlantic City International Airport's Rules and Regulations as attached hereto and incorporated herein as Schedule "A" with the Office of Administrative Law in accordance with the Administrative Procedures Act.
