Dear Players, Coaches, Families, and Supporters,

Welcome to another exciting season of Manheim Central Field Hockey!

A tremendous thank you goes out to the many dedicated individuals who invest countless hours in supporting our program. We deeply appreciate the commitment of our coaches as they mentor and inspire the next generation of young women. Thank you to the parents and our booster club for your unwavering encouragement and tireless efforts on behalf of the Barons.

The Baron Field Hockey program is built on a proud tradition of hard work, sportsmanship, and team spirit. That tradition continues because of the passion and dedication of our coaches, parents, booster club, and—most importantly—our athletes.

As we look ahead to the 2025 campaign, we are excited for the challenges and opportunities this season will bring. Together, let's make it a year filled with memorable moments, personal growth, and shared success.

To our visiting guests, we extend a warm welcome to Manheim and wish you the very best throughout your season.

Go Barons!

Best wishes,
Joshua Weitzel, Ed.D.
Principal, Manheim Central High School

DEAR FIELD HOCKEY FAMILIES,

Welcome to the 2025 Fall season of the Manheim Central High School Field Hockey program! As the Athletic Director, I am thrilled to kick off another exciting season filled with growth, teamwork, and competitive spirit.

Our field hockey program has a proud tradition of excellence, both on and off the field. This season we look forward to continuing the legacy of fostering a positive environment where our student athletes can thrive. Whether you're a returning player or joining us for the first time, you are now part of a community that values hard work, sportsmanship, and unity.

Our coaching staff is committed to developing each athlete's skills while emphasizing character and leadership. We believe that the lessons learned through sport-discipline, resilience, and collaboration extend far beyond the field and into every aspect of life.

We encourage families to be active participants throughout the season. Your support at games, practices, and team events makes a tremendous difference and helps build the strong foundation our program stands on.

Thank you for being a part of the Manheim Central Field Hockey Family. Let's make the Fall season our best yet!

Go Barons!

Warm Regards.

Scott Govern,
Athletic/Activities Director
Manheim Central High School

MC FIELD HOCKEY 2025

The Barons placed second behind E-town the last two seasons in the Section Two title chase. The Bears have graduated some key players. Central is primed and ready to challenge CV and L-S for postseason accolades this fall. The Bucks and Pioneers allegedly have all their starters back on the turf.

Manheim is embracing a hefty number of sophs and frosh who have proven their collective capability to compete at the varsity level. Eve Bushey has taken over for 3-time All-Star, record-setting goalkeeper Laci Nelson.

Seniors Paige Garner & Cali Inthavongsa, along with juniors Makenna Hess & Caroline Hondru, are the mainstays for the Maroon & Gray and will be fun to watch as they navigate the Barons' attack.

Aubrey Schreib, Aubrey Mummau, Laura Minnich and Maria Shirk – all tenth graders – will dot the field with talent and enhance MC's chances of reaching the playoffs.

Coach Briggs, now in her eighth season at the controls, is confident that freshmen Alexx Rada, Livy Krell, Addy Turner, Jenna King, and Emma Hofmann will add significant contributions to Manheim's mission to win their first section crown since 2022.

The girls expect to rev up the offense and hone the "D" from the get-go to avoid ties in the end. Those four ties in 2024 really impacted the Power Ratings. Two of them came against E-town.

MC hockey remains a closely connected group year-round – weight training, stick work sessions, winter leagues at the Nook, instructional camps.

Finishing sixth @ Districts last October was disappointing. The 2025 Barons have a rekindled desire to win, win, win, and add some hardware to the new showcases. Also, as further incentive, Coach Briggs is only 11 victories shy of #100.
