## **ALUMNI Contribution Form**

### **Support the Legacy — Empower the Future**

As a proud Manheim Central Field Hockey alum, you're part of a lasting tradition of excellence, teamwork, and resilience. Now, you have the opportunity to help continue that legacy for today's players and generations to come.

Your contribution — no matter the amount — directly supports our program by:

- Providing essential health and wellness education
- Team Building Experiences
- Assistance in camp costs and winter & summer training.
- Team apparel, programs, Senior Scholarships and Recognition, and so much more.

As a contributor, your name and graduation year will be listed in our program as part of our alumni recognition.

Keeping our program strong, competitive, and connected to the incredible alumni who paved the way. Every alum who contributes will be recognized in our program as an Alumni Contributor, alongside their graduation year — a testament to the strength and unity of our field hockey family.

Let's continue to inspire, empower, and grow the Manheim Central Field Hockey program together. Thank you for your support and for remaining an essential part of our legacy!

Honor the past, empower the present, inspire the future —  
Alumni supporting today's players keeps the legacy alive.
