PAYMENT, FINANCING, AND FUNDING

Services at time of need:

We are proud to offer various payment, funding and financing options to our clients.

Payment

Unless otherwise specified, payment is due within 30 days of signing the contract. Payment may be made by cash, cheque, e-transfer or debit. Payment plans are also available to meet most budgets. Financing charges apply to payment plans. Beyond the allotted time, interest will be charged at a rate of 1.5%, which is equivalent to 18% per annum (APR).

If you are pre-paying for services or supplies, pre-authorized chequing is also available.

Services in advance of need:

For services that are being arranged pre-need, we offer two funding options:

Trust Agreements: You may pay the money directly to us and we will place it in a trust account, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered). Payment can be made by cash, cheque or credit.

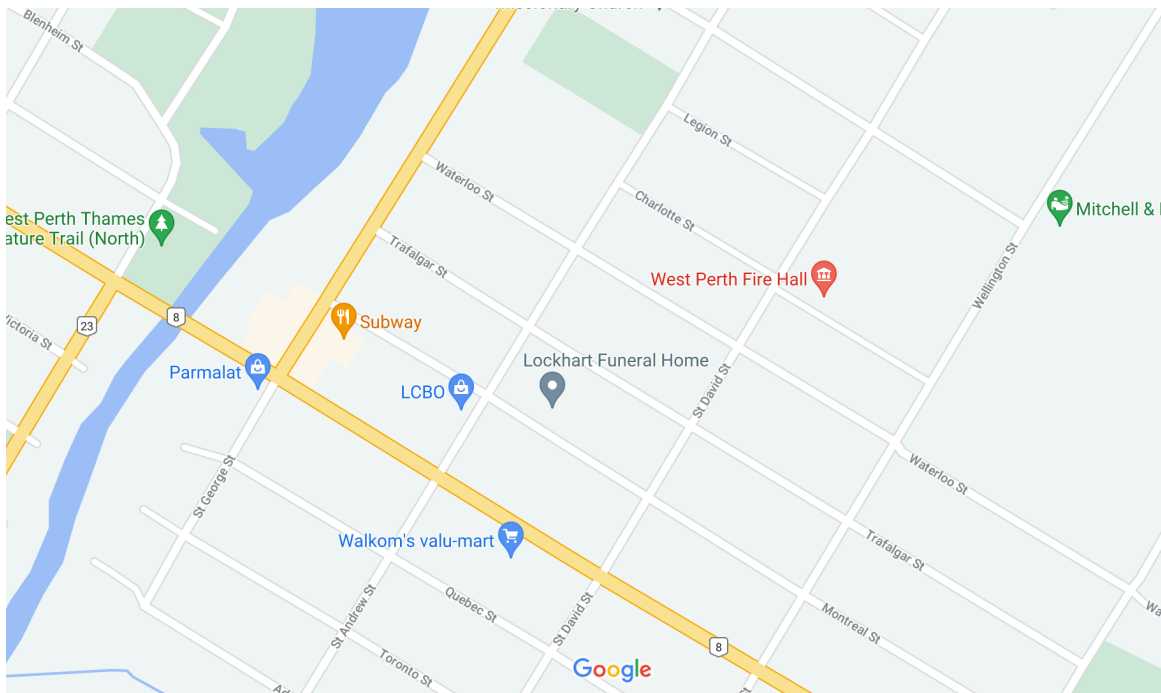

Insurance Agreements: You may purchase an insurance or annuity policy through us, where the proceeds of the insurance/annuity policy will be used to pay for the services or supplies at the time they are delivered or the contract is cancelled. Payment may be made by cash or cheque for single payments. Time payments may be made by credit card or pre-authorized payments from your bank account.

Additional information about payment, financing and funding options is available upon request.
