# Saint Paper

Once you have your Confirmation saint picked out, you will write a ¾-1 page paper introducing your saint and why you picked them.

Your paper should include the following information:

- Why did you choose this saint?
- A brief biography of your saint.
- What are they the patron saint of?
- What are some facts or details about their life or the miracles attributed to them that you personally found interesting?
- How does this saint connect to your life?
- How can you imitate this saint to grow in virtue and/or in your faith life?

**You can either print the paper and hand it in to the youth minister or email it to youthminister@johnirelandschool.org.**
