

# TRASH POLICY

## General Rules

- City-issued containers are required and remain City of Dickson property.
- Only bagged household waste inside approved containers will be collected.
- Place containers by 6:30 AM on service day.
- Maintain at least 4 feet of clearance from obstacles (including other containers).
- Containers not properly placed will not be collected.
- Remove containers within 24 hours after collection.
- Holiday or weather delays may shift service schedules. See City of Dickson website for holiday schedule.

## Prohibited Materials

- Items NOT contained within the approved container.
- The City of Dickson does NOT collect hazardous materials.

## Container Use & Capacity

- Waste must be fully contained inside the container with lid closed (or partially closed).
- Waste extending above the rim or outside the container is considered overfilled.
- The City of Dickson is not responsible for loose or overflowing debris.
- Property owners must clean up overflow, spillage, or excess waste.

## Helpful Tips

### Containers are considered acceptable when:

- All waste is inside the container
- Lid closes properly (preferably flush)
- Container is at least 4 feet from obstacles

**Helpful Tip:** If you regularly exceed container capacity, rent an additional container. Call (615) 441-9508 for details or see back page for pricing and additional services.
