Each camper will select one track for the week, allowing them to stay engaged in activities they enjoy while building skills and confidence in that area. These tracks are designed to add structure while still keeping the fun and variety families have come to expect.

In addition to Day Camp, Baseball and Softball Camps will take place June 1–3 at Buckner Park, and community favorites like Music in the Park return in May, featuring Jenna Jane, known for her upbeat, crowd-friendly performances.

As part of the Day Camp experience, families will also have the opportunity to participate in Camping in Henslee Park, offering a unique way to wrap up camp weeks and enjoy time together outdoors.

Stay active, stay safe, and enjoy our parks this season!
