You are invited to "Leave no Trace" events at Oxley!

Hello Friends of Oxley Nature Center!

We'd like to let you know about a special opportunity coming up the weekend on November 11 and 12. Thanks to Tulsa Urban Wilderness Coalition, Oxley will be the host site for a Leave No Trace Spotlight. This will provide us the opportunity to highlight our stewardship practices and hopefully share them with the wider community. There will be FOUR distinct events; Please read the descriptions carefully and join us for anything that fits in for you.

SATURDAY, NOVEMBER 11

Event 1. Workshop for YOUTH, (10a.m. – noon) – This workshop is designed for ages 7-13 and will include fun games and activities themed around environmental responsibility. Call Oxley to register (918-596-9054)

Event 2. Workshop for EDUCATORS, (2p.m. – 4) - This workshop is designed for anyone who works with youth in an outdoor setting – so teachers, camp and recreation staff, scout leaders, homeschool parents, etc. who want to teach and learn sustainability practices. You must RSVP to attend this workshop: LNT.org/Oxley-YouthEducator

Event 3. Volunteer Tree-Planting at Oxley (1p.m. – 3) – We will divide up into groups and plant as many saplings as we can in an effort to reforest after this past summer's storms. Bring gloves, water, and a shovel if you have one. Please RSVP here: <https://lnt.org/civicism/event/info/?reset=1&id=325>

Event 4. Leave No Trace Trivia Night (5p.m. – 7) – Heirloom Rustic Ales. The trivia game will focus on Leave No Trace principles, sustainability practices, and local ecology. There will be a food truck and great prizes!

More information about Leave No Trace and the Spotlight at Oxley can be found here: <https://lnt.org/event/>

This will be a special weekend for Oxley and we hope for the wider community. We hope you can help us spread the word and attend any of the events that you'd like to. We are looking forward to seeing some of you at the hayride (you still have a couple of days to RSVP!) and we would love to see you the next weekend for some of the Leave No Trace events.

Thank you again for your support of Oxley and for your interest in keeping things wild

Maggie
