COMMERCIALLY USEFUL FUNCTION

HOW AD PROCURES

AD Construction Equipment, Inc. | Gardena, California | Verified by Metro & Ferguson

PROCUREMENT PERSONNEL CUF RESPONSIBILITIES

- Preparation of material quotes
- Solicitation of bids from vendors
- Evaluate bids
- Negotiate with selected vendors
- Prepare vendor purchase orders
- Pay applications
- Submittals
- Change orders

WAREHOUSE PERSONNEL CUF RESPONSIBILITIES

- Receive, manage and track inventory
- Disburse materials to various locations
- Review vendor warranties
- Resolve issues with vendors
- Prepare monthly reports
- Contract maintenance

PROCUREMENT PROCESS

01 CLIENT REQUEST
Client requests a quote from AD for goods.

02 PRICING
AD independently negotiates pricing with manufacturers and/or vendors.

03 PURCHASE ORDER
Client accepts AD's quote and issues a purchase order to AD.

04 ACCOUNTABILITY
AD issues the PO to the manufacturer or vendor and assumes financial and casualty liability under it.

05 PROCUREMENT
AD purchases the goods from the manufacturer or vendor.

06 DELIVERY
Goods ship to AD's warehouse or are delivered by a third-party common carrier.

07 PROJECT SITE
AD accepts and inspects materials, approves delivery tickets and signs the bill of lading.

08 INVOICING
The vendor invoices AD, and AD then invoices the client.

09 PAYMENT
The client pays AD for the goods delivered.

AD CONSTRUCTION EQUIPMENT, INC.

SBE · DBE · MBE · SB-PW · LSBE · LMCSBE · VSBE · EBE · LBE

CAPABILITY STATEMENT

Heavy Civil · Transportation · Rail & Transit · Water Resources

AD Construction Equipment, Inc. is a certified supplier of materials, equipment, trailers, and labor to public works contractors across heavy civil, transportation, and rail & transit projects, including large joint ventures. AD performs a documented Commercially Useful Function (CUF) — independently managing purchasing, logistics, and delivery, and acting as employer of record for supplied labor — rather than serving as a broker or pass-through. AD carries $10M in bonding capacity and $8M in general liability insurance, and was recertified as a DBE effective June 11, 2026 (Cert #9763) under the October 2025 Interim Final Rule, confirming continued eligibility under U.S. DOT 49 CFR Part 26.

CORE COMPETENCIES

Category	What AD Provides
Heavy Civil & Aggregate Materials	Base rock, asphalt/concrete materials, rebar, precast, erosion control
Equipment Rentals	Generators, compressors, light towers, pumps, boom & scissor lifts
Jobsite Trailers & Laydown Yards	Office/crew trailers, secure staging yards along corridor alignments
Water & Wastewater Materials	Pipe, valves, fittings, pump station & treatment components
Labor Support	Signatory union labor (UA 250 Pipefitters, SMART, Carpenters, LiUNA 300) plus non-union labor as employer of record

DIFFERENTIATORS

- ✓ CUF-verified — not a broker or pass-through
- ✓ Employer of record for all supplied labor
- ✓ Signatory to UA 250, SMART, Carpenters & LiUNA 300
- ✓ $10M bonding capacity · $8M general liability insurance
- ✓ 9 active small-business certifications — one vendor, multiple goals
- ✓ Clean, agency-ready participation documentation at closeout

PROJECTS

Project	AD's Role
Hollywood Burbank Airport — Replacement Passenger Terminal	Materials, equipment, trailers & union labor supplier to Holder-Pankow-TEC JV (via multiple subs)
LAWA Curbside — Terminal 5 (T5)	Union Laborers supplier to ADS, Swinerton
East San Fernando Valley Light Rail Transit (ESFV LRT)	Materials & supplies to Blois Construction
