If we do not hear from you and we have no payment at all after your first payment due date, we will assume you are not planning on attending and your child will be removed from the class. If you would like to cancel your enrollment less than 14 days before the start of your first class day in the session, we can offer gym credit only, no refunds. We do not offer credits nor refunds for missed classes (after the fact). We can offer make-up classes when you miss one of your paid classes.
