

Inviting Expressions of Interest

Allied Justice is a for-purpose organisation committed to making justice accessible for everyone.

Since our beginnings in 1995 as the Ballarat Community Legal Service, we've grown to support people across 11 local government areas - always driven by the belief that better access to justice can change life stories.

We proudly stand as part of a national network of over 200 Community Legal Centres across Australia, united in the mission to advance social justice and support those facing systemic disadvantage. As a trusted regional legal service representing regional, rural, and remote communities, we roll up our sleeves every day to deliver the results and support our clients' needs.

We stand with our clients until they can stand for themselves, and we fight for what's fair, together. This is what we call Real Justice: the kind our clients actually want. It's justice with our sleeves rolled up. It's justice done together and for the community.

Partnership is at the heart of how we work – standing together, in partnership, unified in purpose, seeing it through together. We collaborate with government, Victoria Legal Aid, other publicly funded legal assistance providers, pro bono contributors, the private legal profession, and community service agencies to ensure the best outcomes for our clients and communities.

Our Board seeks to strengthen its skill base by recruiting **2 Board Directors** (Voluntary) who can bring their specialist expertise **in Human Resource Management and/or Financial Management** to the Allied Justice Board as it fulfils its strategic direction-setting, oversight, and governance responsibilities.

To enhance our capacity to deliver on our purpose, Allied Justice is seeking to structure a diverse board of committed individuals with a range of thinking styles, qualifications, skills, and life experiences.

We welcome expressions of interest from people of all genders, ages, First Nation peoples, people with disability, people from culturally and linguistically diverse backgrounds, and from lesbian, gay, bisexual, trans, gender diverse and intersex people.
