HANDBELL CAMP SIGNUP OPEN!

Ever wonder what it's like to play handbells? Ever wish you could learn to play without the pressure of having to be in front of the congregation on Sunday? Ever curious about how the notes in a handbell choir all just come together?

Now is your chance to find out, at Handbell Camp! Learn the basics of handbell technique, the history of handbells, and how to play together in a handbell group.

Handbell Camp is open to any confirmed member, regardless of their handbell experience. It's a great place for beginners, but even seasoned ringers can brush up their skills. Can't read music? No problem! Part of the camp includes an introduction to reading basic music notation.

Handbell camp meets from 6:30-7:30 p.m.: Monday, August 25, Wednesday, August 27.

Attendance isn't mandatory at all sessions, but you'll get more out of it the more you attend!

LORD HEAR OUR PRAYERS

~ For Bob Schmidt

~ For the friends and family of our dear brother, Bob Hager, who has gone home to glory.

WEEKLY PRAYER

Oh God, you have called me to be your own and to live in the grace of your kindness now and forever. Give me faith to appreciate it and live with confidence as your dear child. When you act in my life for good, remind my doubting heart that you are not interrupting something more important but improving what I wouldn't be able to improve by myself.
Amen
