Santa Cruz Montessori

Mission & Values

OUR MISSION

As a Montessori learning community, we inspire lifelong learning and a peaceful world by nurturing the natural development of the whole child.

OUR PHILOSOPHY

Santa Cruz Montessori is founded on the methods and philosophy developed by Dr. Maria Montessori. She recognized the potential of each child to become a force for good in creating a better world for all.

OUR VALUES

DEVELOPMENT OF THE WHOLE PERSON

We support the development of the **whole child** and foster an environment of **respect** and **compassion** for self, others, and our environment.

FREEDOM WITH RESPONSIBILITY

We guide children to **independence** in their learning, encouraging them to identify their interests, passions, and strengths, fostering a **lifelong love of learning and discovery**.

DIVERSITY & BELONGING

The SCM community creates a culture of **belonging** where the richness and complexity of **each individual is honored**. We recognize **the interdependence** of all beings and systems of our world.

COMMUNITY

All members of the Santa Cruz Montessori **community** are committed to working together to create a quality Montessori environment. We embrace **collaboration** in order to achieve our mission-driven goals.

Dear Parents,

Welcome to the 2026–2027 school year at Santa Cruz Montessori! We are excited to begin another joyful year together and are grateful to welcome both our returning families and those joining our community for the very first time. To our new families, we extend a special welcome and look forward to getting to know you as you become part of the SCM family.

At Santa Cruz Montessori, we remain deeply committed to our mission of providing an exceptional Montessori education. One that fosters independence, compassion, belonging, and a lifelong love of learning. Our roots in this community run deep, and our work continues to be guided by the same core values that have shaped our school for decades. The strength of our program lies in the relationships we build: with children, with families, with one another, and through the unwavering dedication of our incredible staff.

As we enter this new year, we are excited for the experiences and moments of growth that await our children. Whether students are returning to familiar classrooms or beginning a new journey at SCM, every child brings unique gifts that strengthen our community and contribute to the vibrant environment that makes our school so special.

We also look forward to continuing the events and traditions that connect our community throughout the year. Join us for our Harvest Festival on October 3rd, a joyful celebration filled with children's activities and community spirit. Be sure to save the date for our Arts Auction on February 27th, a treasured event that brings us together while supporting the continued growth of our art programs.

As we prepare for the year ahead, we invite you to join us for our Community Work Day on Saturday, August 15th, from 9:00 a.m.–12:00 p.m. Community Work Day is one of our favorite traditions and a wonderful opportunity for our community to come together in preparation for the new school year. We'll spend the morning caring for our campus through gardening, painting, organizing, and special projects, followed by a community lunch together. This is a fantastic opportunity for our new families to experience the spirit of community that makes SCM such a special place.

Thank you for your continued partnership and trust. Your involvement helps create the caring, collaborative environment that allows children to thrive. We are honored to walk alongside your family this year and look forward to all that we will accomplish together.

With warmth and appreciation,

Mandated Reporter Training

In accordance with new California licensing requirements, all parent volunteers — whether helping in the classroom or chaperoning a field trip — **must** complete Mandated Reporter and Child Abuse Prevention training **annually**.

To ensure the safety and well-being of all children in our care, all parent volunteers and field trip drivers must complete Mandated Reporter and Child Abuse Prevention Training before participating. Please note that none of these can be waived, and volunteers will **not** be able to assist in the classroom or on field trips until all required items are complete. We strongly encourage you to complete this list of tasks and email or bring in all necessary documents to our office manager, Natalie, by Tuesday, August 25th, 2026.

How to Complete Mandated Reporter and Child Abuse Prevention Training

To complete this training for the 2026–2027 school year, follow the steps below:

1. Go to <https://mandatedreportertraining.com/california/>
2. Register and create an account
3. Upon completion of registration, you will be taken to a dashboard and asked to add a new training. Scroll down until you see the "Volunteers" training. It should look like the image below. Once you have selected the volunteers training, there should be a little green bar that pops up on the bottom of the screen. Click "add training" on the green bar to add the training to your dashboard.

4. Once you have added the 'Volunteers' training, work through the modules at your own pace — you don't need to finish in one sitting. Simply log back in at any time and it will pick up where you left off.
5. Upon completion of the training, you will need to purchase a certificate of completion. Once you have paid and obtained the certificate, please email a copy to our office manager, Natalie (nataliemahan@scms.org).

SCM Emergency Guidelines for Parents

In the case of an emergency such as an earthquake, fire, or other natural disaster, we will evacuate our buildings if necessary and keep the children safe with us until they can be picked up. Please follow these guidelines:

- Come directly to the school if directed to do so by the administration as quickly as possible.
- Have a plan in place for who will pick up your child from school in the event of an emergency.
- Only people designated on your emergency form will be allowed to pick up your child.
- Do not call the school. We will need to keep our phone lines open for emergency services (if the phones are operating).
- We will notify you through our Emergency System with any important details. The notification will be sent via text and/or email if these systems are available.
- When you arrive at SCM, school personnel will meet you and bring your child to you. You will need to sign your child out.
- If you are able to stay and help, school personnel can give you instructions on how your support is needed.
- If it is unsafe to remain at the school, the staff will walk with the children to a safer location. We will leave a sign stating our alternate location.
- Staff will remain with our students until all of the children have been picked up. We have the resources to feed children and to stay overnight if necessary.

In the event of a lockdown, all doors and gates are locked and nobody is allowed to enter or leave until the danger has passed. A lockdown is a situation where an outside threat is present in the area of the school. Please follow these guidelines:

- Do not come to school until instructed. We cannot allow anyone in or out of the school until the lockdown is over.
- Staff will follow all protocols necessary to ensure a safe campus.
- Communications will be sent by text and email to keep all parents updated.

Thank you for helping us keep SCM safe for all!
