Cadel Frame 9

9kW

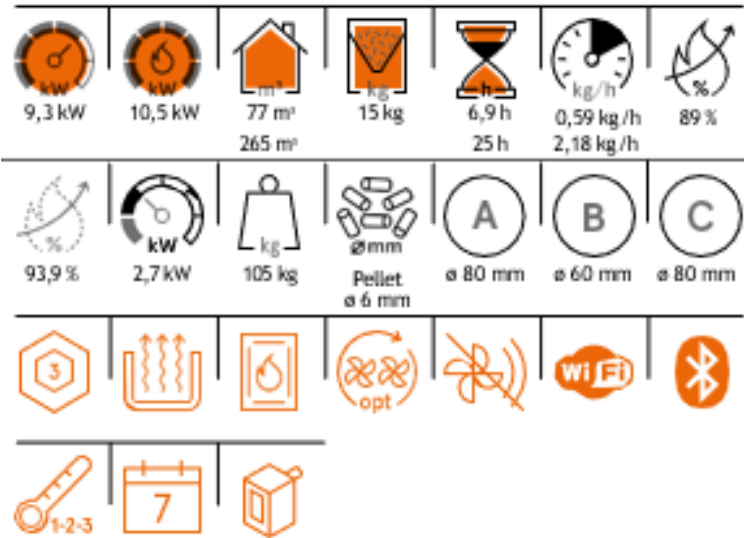

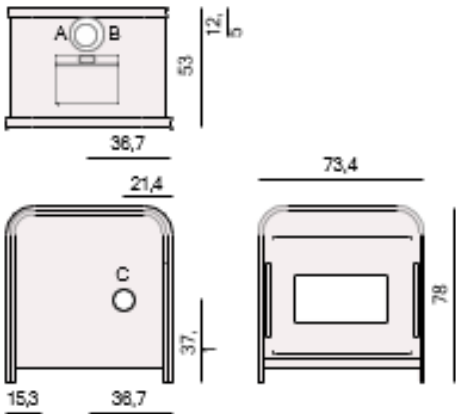

Large glass window to enjoy the heat of the flame Ducting available.

Refined, metropolitan style, an ample view of the flames within, and elegant legs. Frame fits harmoniously into both contemporary and rustic spaces and, with the addition of the ducting kit, allows more rooms to be heated. The UP version comes with an upper smoke outlet.

Available in anthracite and light bronze.

Cadel Atena Plus 14

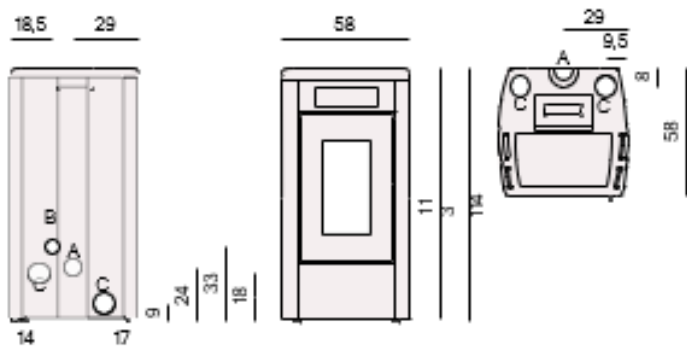

14 kW

Dual rear or top ducting
managed independently
Built-in Wi-Fi
for remote control Upper, back
or exhaust

Sealed pellet stove with double ducting managed independently. Burning pot, cast iron top and door. With built-in Wi-Fi for remote control. Versatile, can be installed with top or rear smoke outlet. Available in 12kW and 14kW versions.

Available in white, anthracite, red, ivory and titanium.

Wood Pellet BBQ's

The BBQ feature a smart burning feature which gives you approx 2hrs of burning time. The pellets are stored underneath the hot plate and heat from the bottom once they are lighting. Plan your trip, assemble, and get cooking.

There are a number of sizes available. Available in white, anthracite, red and titanium.

Wood pellet BBQ's offer a cleaner fuel source than older gas BBQ's. Simply fill with wood pellets, light, and you are ready to go.
