If, at the close of the period for making nominations, there are the same number or fewer qualified candidates as there are board positions to be filled, then the board of directors may, after voting to do so, seat the qualified candidates by acclamation without balloting.

Director Election Statements may not exceed one side of a single 8-1/2 x 11 inch page. All Director Election Statements that are timely received will be reproduced in black and white as submitted and will be included with the voting materials which will be mailed to all members of the Association. By submitting a Director Election Statement, you accept full responsibility for its content and agree to indemnify the Association and its agents and representatives for any and all damage arising from and related to any such content. Candidates should also be prepared to promptly provide appropriate supporting documentation to the Association to substantiate qualifications for eligibility if or when requested. Failure to provide sufficient documentation timely could result in the candidate's name not being included on the ballot.

It is each member's responsibility to confirm that his or her written notification to be a candidate and Director Election Statement were received by the Association. We look forward to receiving your nomination. Our Association works only because of owners like you who are willing to volunteer their time and skills on behalf of the community.
