Usually, this will add a casket/container and Other Preparation of the Deceased.*

## CREMATION SERVICES

*The degree to which we have loved is proportionate to the need to grieve. Routinely, I see co-workers and staff celebrants learning about the life of the person who died and creating healing moments to lift people up and lend meaning. Our facilities are modern and designed for hospitality, multi-media, and gatherings of almost any size. We publish an online obituary (at no charge), coordinate with the clergy/celebrant/officiant, organize seating and sometimes parking, set up memorabilia and flowers, greet people as they arrive and provide memorial folders and/or cards, usher as needed, manage the multi-media presentation of your photos/video vignettes (at no charge), and provide service direction to ensure your wishes are observed. Our presence makes things much easier, especially important on one of the most difficult days of your life.*

*It's important to do this well. Thank you for allowing us to serve you and your family.*

*Respectfully,*

*Julie Bishop and Jamie Lawson*

## CREMATION WITH INTEGRITY

**CLEAN, SECURE CREMATORY** – We are among the few funeral homes to operate our own crematory inside our clean and secure facilities.

**IDENTITY ASSURANCE** – Your peace of mind in knowing your loved one is being properly cared for is important. That's why we invested in a digital tracking process that begins the moment your loved one is in the care of our staff. This uniquely designed process not only tracks your loved one, but all personal effects as well, until the final disposition of the cremated remains. Morris Family Services is the only firm in our state to offer this unique safety feature.

**PERSONAL INSPECTIONS** – We are the region's first crematory to encourage each family's personal inspection of our facilities. We also offer a special viewing room located next to our crematory for those who wish to be present for the start of the cremation.

**CERTIFIED EXPERTS** – Our staff receives advanced certifications to perform cremations. We strictly adhere to our own Cremation Code of Ethics-your assurance of our commitment to honesty and dignity.

## FINAL IDENTIFICATION OF THE DECEASED

*Cremation is an irreversible process. Where there is human involvement, there will always be the potential for human error. This can apply to hospital, coroner, and funeral home staffs. To be safe and sure, for your peace of mind and ours, we highly recommend a positive identification of the deceased before cremation. In our memorial service and direct cremation option, there is no embalming and only a limited time that the deceased may be transferred out of refrigeration and identified (embalming is required by state law if public visitation is requested). We provide two different cremation viewing options. For a full explanation of these, please refer to the Cremation Viewing Options sheet (see page 8).*

This package includes Basic Services of Funeral Director and Staff, Transfer to Funeral Home, Embalming, Other Preparation - Dressing/Casketing, Use of Funeral Coach to Cemetery, and Funeral Director and Staff for Graveside Service. Add Casket, Memorial Products, as selected.

**IMMEDIATE BURIAL****\$3,710.00**

Immediate burial is the process of arranging for burial of the unembalmed body as soon as possible. This service is preferred by members of the Jewish faith, especially Orthodox and Conservative, and Muslim faiths. We offer separate, specially configured facilities for ritual washing as dictated by the religious faiths we serve. Our staff is also fully knowledgeable in serving these faith communities.

Difficulties in filing a death certificate and securing the necessary legal permit immediately and/or a cemetery's inability to open a grave on short notice may require that the body be embalmed (\$950) or refrigerated (\$95 per day). We include 4 days of refrigeration at no extra charge. The casket must stay closed at all times to comply with company policy that the deceased is in a refrigerated state.

Immediate Burial options presume that we deliver the deceased to the cemetery for burial at the time of our choosing and that there is no viewing or commemorative gathering involved. This package includes Basic Services of Funeral Director and Staff, Transfer to Funeral Home from Place of Death, Other Preparation, Dressing/Casketing, Use of Funeral Coach to Local Cemetery.

Our onsite reception centers make the transition from the service to the informal enjoyment of food and drink seamless. Our facilities are modern and immaculate, and our charges are less than most hotels or country clubs, especially taking into account room rental plus food and beverage minimums which can be significant at such venues. For those who wish, we allow you to provide a ceremonial toast and can suggest area liquor stores that deliver (we provide certified bartenders at a reasonable cost to help ensure people are served appropriately). Our fee includes the creation of a memorial video, which can incorporate photos and video, audio- video equipment, and, when desired, a Certified Celebrant™ to tailor the service with you to reflect the meaning and uniqueness of one's life. We can assist with flowers, provide reception options and menus for those who wish, and will organize any mementos for display. Most importantly, we are kind, professional, and skilled in making things easier for you while looking after the myriad details.

### DISCOUNTS, FINANCIAL HARDSHIPS AND VALUE

The renowned writer, Oscar Wilde, wrote of a man who “knows the price of everything and the value of nothing.” Believing that our clientele prefers to receive value rather than just a low price with commensurably lower quality, at Morris Family Services we focus on providing excellence in everything we do.

We encourage you to speak openly about any financial hardship you are experiencing. We take pride in serving all who call our firm, including those with financial difficulties. We work closely with county departments of human services, victim's and worker's compensation departments, the Veteran's Administration, Social Security, and other potential sources of funding. We can make suggestions to keep your costs low. Still, we understand there are those who may need a payment plan, (extended in limited circumstances and subject to credit approval), or a cost reduction in order for their needs to be met. No one has ever been turned away for lack of money. ***Regardless of what you spend, our superior service quality is the same for all — we are here to help.***

### FORWARDING OF CREMATED REMAINS

We can package, transport and mail cremated remains by U.S. Postal Service Express Mail anywhere in the United States for \$125 (add cost of urn). Other carriers will not accept cremated remains. Express Mail is typically an overnight delivery in the continental U.S. Because we schedule our crematory days in advance, and due in part to the time involved in meeting the legal requirements of the death certificate and disposition permit, we ask for 3-4 days following death to complete the cremation process. Let us know if this creates difficulty — we'll try our best to accommodate you.

### ADVANCE PLANNING ASSISTANCE

We provide free assistance with advance planning. You have the option of locking in today's prices and funding your plan or simply placing your wishes on file and allowing costs to be paid at the time of need.
