Managing risks to child safety and wellbeing

At our school we identify, assess, and manage risks to child safety and wellbeing in our physical and online school environments. Students and families can also access information on how to report concerns on our website or school office.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student, and keep them (and their parents and carers, as appropriate) informed about progress.
