

Dear Parents and carers,

Welcome back – I trust that you have a lovely Easter break. We look forward to working closely with you again over the summer term.

This term is always a busy one and gives us opportunity to reflect on the successes of the year and celebrate the progress that the children have made.

In May, Y6 children will sit their SATS tests, a statutory assessment that they complete at the end of each key stage. On the **3rd May** we will be holding a meeting for Y6 parents to explain the SATS week timetable and expectations for the week beginning 11th May. It is really important that you do attend the meeting if possible. We will follow up with a letter to parents for those who are not able to join us.

In June our Y4 children will complete their times tables check and Y1 will be doing their phonics screening check. There will be a meeting on the **22nd May** (Y4 multiplication check) and **7th June** (Y1 phonics screening) for parents regarding these assessments.

This term we continue with our inter-school sports events, debates and Spelling Bee competitions.

We also look forward to taking children on the planned school trips and visitors coming in to the school. Please look out for further details regarding these from your child's teacher.

Finally, thank you to everyone who supported our Eid event at the end of school today. We could not do it without you!

Wishing you a pleasant weekend.

Kind Regards

Bronwen Chalmers
Headteacher

Important Information Regarding Term-Time Attendance and National Education Penalties

At Northwold Primary School, we are committed to providing your child with the best possible start in life. Regular school attendance is fundamental to this goal.

As we work together to support your child's academic progress and social development, I am writing to share information regarding term-time holidays and unauthorised absences and the national framework for attendance penalties.

Following the latest Department for Education (DfE) guidance, "Working together to improve school attendance," there is a clear link between high attendance and levels of achievement. When children miss school, they miss essential learning and the social interactions that build confidence.

The government has introduced a national framework for all schools regarding penalty notices. If a child has 10 sessions (usually 5 days) of unauthorised absence, a penalty notice may be issued.

The regulations regarding fines are as follows:

- **After 10 unauthorised sessions, the fine is £80 per parent, per child if paid within 21 days. This rises to £160 if paid between 21 and 28 days.**
- **If a second penalty notice is issued to the same parent for the same child within a three-year period, the fine is a flat rate of £160 per parent, per child.**
- **A third penalty notice cannot be issued. Instead, the case will be referred directly to Magistrates' Court for prosecution. This can lead to a criminal record and significantly higher financial penalties.**

We understand that life can be busy, but we urge you to schedule holidays and appointments during the 13 weeks of school breaks available throughout the year.

If you are experiencing specific challenges with your child's attendance, please reach out to us as soon as possible. We will work with you to provide support and overcome barriers.
