

Environmental Policy

1. Purpose

This Environmental Policy outlines Chess Wise Limited's commitment to managing its operations in an environmentally responsible manner. We recognize our duty to protect the environment for future generations and to comply with all applicable environmental laws and regulations.

2. Scope

This policy applies to all activities, products, and services conducted by Chess Wise Limited and includes all employees, contractors, and stakeholders.

3. Policy Statement

Chess Wise Limited is committed to:

- Minimizing environmental impacts from our operations.
 - Promoting sustainability and responsible resource use.
 - Preventing pollution and reducing waste.
 - Complying with all applicable environmental legislation and other requirements.
 - Continuously improving our environmental performance.
-

4. Objectives

To support this policy, we aim to:

- Reduce energy and water consumption through efficient practices.
 - Promote recycling and responsible waste disposal.
 - Choose suppliers and partners who share our environmental values.
 - Train employees on environmental best practices.
 - Conduct regular environmental audits and risk assessments.
-

5. Implementation

We will implement this policy by:

- Integrating environmental considerations into all business decisions.
 - Graham Foster, Operations, has been appointed as Environmental Officer to oversee compliance and improvement.
 - Establishing measurable environmental performance indicators.
 - Communicating our environmental goals and progress to all stakeholders.
-

6. Review and Continuous Improvement

This policy will be reviewed annually and revised as necessary to ensure ongoing suitability and effectiveness. Feedback from stakeholders and developments in environmental legislation will be considered in future revisions.
