Doing things right

Our UK Facility, based in Nottingham spans over 9 acres, enabling rapid response to customer needs. We offer quick turnaround deliveries and comprehensive spare parts support.

Dedicated customer care

Our in-house Customer Care team provides expert product advice to swiftly resolve any queries.

Mon - Friday 9am-5pm, Saturday 9am-1pm.

Affordable designs for the home

We stay at the forefront of the latest kitchen trends, enabling you to create the dream kitchen within a budget.

Built to last

We rigorously test every batch to guarantee consistently high standards with every delivery.
UK based lab - designed and tested in Nottinghamshire.

Guarantee

5 YEAR PARTS
+2 year labour guarantee

We support all our products with a 5 year parts, 2 year labour guarantee to ensure consumer confidence.

Dedicated engineers

We use our own dedicated service engineers, equipped with a large range of spare parts for all CDA Group appliances, allowing them to achieve an industry-leading first time fix rate. This means minimum inconvenience for you with an engineer attending on average within 5 working days of us receiving a call or email so you can get back to enjoying your kitchen.

Matrix Ovens

Matrix ovens offer the perfect balance of style, performance, and affordability. With sleek designs that complement any kitchen décor, without compromising on quality.

Single Ovens

MX050BL

76L Five function electric conventional oven

Features

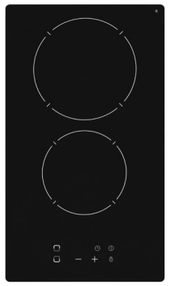
Hobs - Ceramic



MXC030FR

Domino ceramic hob

Features

- Front control
- Electronic touch control
- 9 power levels
- Digital timer
- Child lock
- Residual heat indicator
- Configurable 15 minute cut off timer

Available in

- Frameless

Technical specification

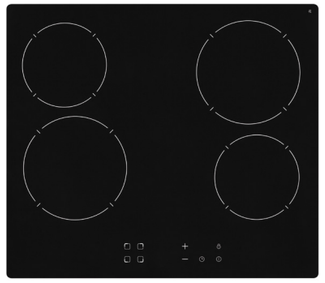
Front zone: **1.2kW**

Rear zone: **1.8kW**

Rated electrical power: **3kW**

Power supply required: **13A, plug included**

Net weight: **4.5kg**



MXC060FR

Four zone ceramic hob

Features

- Front control
- Electronic touch control
- 9 power levels
- Digital timer
- Child lock
- Residual heat indicator
- Configurable 15 minute cut off timer

Available in

- Frameless

Technical specification

Front Left zone: **1.8kW**

Front Right zone: **1.2kW**

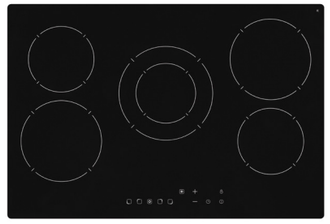
Rear Left zone: **1.2kW**

Rear Right zone: **1.8kW**

Rated electrical power: **6kW max**

Power supply required: **32A**

Net weight: **8.3kg**



MXC070FR

Five zone ceramic hob

Features

- Front control
- Electronic touch control
- 9 power levels
- Digital timer
- Child lock
- Residual heat indicator
- Auto shut off
- Dual zone

Available in

- Frameless

Technical specification

Front Left zone: **1.8kW**

Front Right zone: **1.2kW**

Rear Left zone: **1.45kW**

Rear Right zone: **1.8kW**

Middle zone: **2.2kW / 1kW (inner)**

Rated electrical power: **7.2kW max**

Power supply required: **32A**

Net weight: **10.5kg**

Matrix Refrigeration

Choosing the right refrigeration is key to keeping food and drink at the perfect temperature. Whether you need an undercounter fridge for extra storage or a wine cooler to preserve your favorite bottles, modern options offer style, efficiency, and convenience.

Fridges & Freezers

MFU201

Integrated under counter larder fridge

Features

- Interior light
- 3 glass shelves
- 2 salad crisper compartment
- 2 in-door balconies
- 1 egg tray
- Height-adjustable feet
- Reversible door
- Fixed hinges

Technical specification

Total capacity: **135L net**

Noise level: **40dBA**

Energy consumption in a year: **117kW/h**

MFU251

Integrated under counter fridge with ice box

Features

- Interior light
- 2 glass shelves
- 2 salad crisper compartment
- 2 in-door balconies
- 1 egg tray
- Freezer compartment
- Height-adjustable feet
- Reversible door
- Fixed hinges

Technical specification

Freezing capacity: **2kg / 24h**

Fridge useable capacity: **95L net**

Freezer useable capacity: **16L net**

Total capacity: **111L net**

Noise level: **38dBA**

Energy consumption in a year: **173kW/h**

MFU801

Integrated under counter freezer

Features

- 4 star rating
- Temperature warning light
- 3 drawers
- 1 ice cube tray
- Height-adjustable feet
- Reversible door
- Fixed hinges

Technical specification

Freezing capacity: **4.5kg / 24h**

Total capacity: **95L net**

Noise level: **40dBA**

Energy consumption in a year: **182kW/h**

MFC501

Integrated 50/50 combination fridge freezer

Features

- LED Interior light
- Manual control
- 4 glass shelves
- 2 salad crisper drawers
- 3 in-door balconies
- 1 egg tray
- 4 star rating
- 4 storage compartments
- 1 ice cube tray
- Height adjustable front feet
- Reversible doors
- Sliding furniture fixings

Technical specification

Freezing capacity: **4.5kg / 24h**
Fridge useable capacity: **147L net**
Freezer useable capacity: **81L net**
Total capacity: **228L net**
Noise level: **39dBA**
Energy consumption in a year: **263kW/h**

MFC701

Integrated 70/30 combination fridge freezer

Features

- LED Interior light
- Manual control
- 5 glass shelves
- 2 salad crisper drawers
- 4 in-door balconies
- 1 egg tray
- 4 star rating
- 3 storage compartments
- 1 ice cube tray
- Height adjustable front feet
