Application for a Conditional Use
(Page 2)

Justification:

The Board of Adjustments and Appeals requires that each applicant respond to the following inquiry:

1. What are the specific reasons why the conditional use is essential and desirable? Also, how will granting the conditional use not conflict with the goals and objectives of the Oldham County Comprehensive Plan. (The Comprehensive Plan is available in the Oldham County Planning and Zoning Office for review and on the internet at www.oldhamcounty.net. To access the Comprehensive Plan on the web, click on Property then open the Comprehensive Plan under the Public Documents section.)

The Applicant respectfully seek the approval of a conditional-use permit to allow for short-term rental usage of his home to provide supplemental income to support the 145-acre property and to create an accommodation for out-of-town visitors to Oldham County just a few miles south of downtown La Grange.

The proposed conditional-use permit comports with the Oldham Co. Comprehensive Plan in at least two (2) ways. First, it comports with Land Use Objective LU-3-1, which provides that proposals should "[s]upport existing business retention and growth compatible with adjacent land uses and the availability of community facilities and services," by providing a supporting accommodation for The Barn at Twin Lakes venue located adjacent to the property. Likewise, this permit will comport with Business & Industry Goal BI-1-2, which encourages the support of "existing business and industry to thrive and grow in Oldham County."
