 Public Notice Appeared in Oldham Era: 3/12/2026

Notes:

1. The applicant is requesting a Conditional Use Permit for a Pet Crematorium business.
2. The property is zoned IPD, Industrial Park District.
3. Section 210-040 requires cemeteries, mausoleums and crematories to obtain a Conditional Use Permit (CUP) by the appropriate Board of Adjustments.
4. Section 260-080 states that the required setback for all buildings with this type of conditional use is thirty (30 feet from any property line.
5. The applicant is leasing a building that was constructed fifteen (15) feet from the property line, therefore the applicant is requesting a variance of fifteen (15) feet.

Motions and Findings:

Every motion to approve a variance or conditional use must state the finding(s) required by statute or regulation and must also state the reasons for the motion. Every motion to deny must state the reasons for the motion.

Suggested motions to approve or deny are set out below.

Conditional Use Permit:

The applicant is requesting a Conditional Use Permit for Cemeteries, Mausoleums, Crematories (Pet Crematory) on property located at 1060 D.W. Griffith Ln., La Grange.

Motions:

Move to **approve** the conditional use because the proposed use is **essential or desirable to the community** and **not in conflict with the elements, objectives and policies** of the Comprehensive Plan based on one or more of the following factors:

granting the conditional use permit will allow the **proper integration** into the community of a use specifically named in the zoning regulation.

the **character and objectives** of the proposed use and the **potential impacts** on the community and its surroundings are appropriate.

the **community or neighborhood has a need** for the proposed use and there are **potential benefits** to the community or neighborhood.

the proposed use is **compatible with surrounding land uses and the general character of the area**, including such factors as: height, bulk, scale, intensity, traffic, noise, odor, drainage, dust, lightning, or appearance.

the proposed use will not impair the **integrity and character** of the zone if there are specific restrictions on location, size, extent and character of performance.

there are adequate **public facilities** available, such as, including transportation, sanitation, water, sewer, drainage, emergency services, education, and recreation.

The specific conditions or restrictions which must be met in order for the proposed use to be permitted for any of the above reasons are as follows:

Potential Conditions of Approval:

1. The Conditional Use Permit shall only apply to the application considered at the March 19, 2026, Oldham County Board of Adjustments public hearing.

Considerations:

* Refer to the applicant’s justification statement and other evidence in the record.

-or-

Move to **deny** the conditional use because the proposed use is **not** essential or desirable to the community, or is in conflict with the elements and objectives of the Comprehensive Plan, or is not in compliance with the zoning regulations, based on the following factual determinations and conclusions_____.

(1) Building Setback Variance:

The applicant is requesting a Side Yard Setback Variance for property located at 1060 D.W. Griffith Ln., La Grange.

Proposed Building Setback Variance:
Required Setback for all buildings: 30 feet
Requested Building Setback: 15 feet
Requested Variance: 15 feet

(1) Motions:

Move to **approve** the variance because it will not adversely affect the public health, safety or welfare, will not alter the essential character of the general vicinity, will not cause a hazard or nuisance to the public, and will not allow an unreasonable circumvention of the requirements of the zoning regulations because _____.

Motion to **deny** the variance because (any one or all of the following):

- a. It will adversely affect the public health, safety or welfare because _____;
- b. It will alter the essential character of the general vicinity because _____;
- c. It will cause a hazard or nuisance to the public because _____;
- d. It will allow an unreasonable circumvention of the requirements of the zoning regulations because _____.

In deciding on a variance, you may consider whether:

- a. The requested variance arises from special circumstances which do not generally apply to land in the general vicinity or in the same zone;
- b. The strict application of the provisions of the regulation would deprive the applicant of the reasonable use of the land or would create an unnecessary hardship on the applicant; and
- c. The circumstances are the result of actions of the applicant taken subsequent to the adoption of the zoning regulation from which relief is sought.

You cannot approve a variance which is the result of willful violations of the zoning regulation by the applicant subsequent to the adoption of the zoning regulation from which relief is sought.

Potential Conditions of Approval:

1. The variance shall only apply to the application considered at the March 19, 2026 Oldham County Board of Adjustments public hearing.

Considerations:

* Refer to the applicant's justification statement and other evidence in the record.

-or-

Move to **deny** the variance because the proposed use is **not** essential or desirable to the community, or is in conflict with the elements and objectives of the Comprehensive Plan, or is not in compliance with the zoning regulations, based on the following factual determinations and conclusions _____.

Considerations:

* Refer to the applicant's justification statement and other evidence in the record.

-or-

Move to **deny** the variance because the proposed use is **not** essential or desirable to the community, or is in conflict with the elements and objectives of the Comprehensive Plan, or is not in compliance with the zoning regulations, based on the following factual determinations and conclusions _____.

DIVISION 210 IPD INDUSTRIAL PARK DISTRICT

Sec. 210-010 IPD Industrial Park District: Intent

The intent of the Industrial Park District (IPD) is to create performance based standards that will best utilize the community's limited industrial and commercial resources resulting in the expansion of the community's economic base and enhancement of the community's quality of life. The Industrial Park District (IPD) is intended to:

1. Provide sufficient space in attractive, landscaped, and planned industrial parks for industrial, commercial and office activities.
2. Protect future economic development opportunities from incompatible land uses.
3. Insure compatibility between industrial, commercial and office operations within an industrial park.
